Brush & Branch Collection Brush Chipping Service is ONLY available from March to September.

There Are 3 Ways for Residents to Dispose of Brush:

- Take brush to the TRANSFER STATION (no charge).
- Bundle branches in 4 foot lengths and leave out on your regular trash day. Bundles shall weigh no more than 50 pounds each.
- **Call** the City Service Department after the branches are out on the curb for pick-up request. Please allow up to 10 business days for service. If demand is great, a delay in service may occur.

Guidelines for Curbside Pick-Up

- **NO ENTIRE TREE, NO STUMPS, NO ROOT BALLS, NO SHRUBS AND NO LAND CLEARING.**
- This service is for routine yard maintenance branches only.
- Place all cut ends in one direction towards the street.
- Branches need to be longer than 4' in length in order to safely insert into the chipper.
- If you hire a contractor, the contractor is responsible for the removal of ALL TREE RELATED DEBRIS.
- **NEW: THIS SERVICE IS LIMITED TO TWO PICK UPS PER ADDRESS PER YEAR.**

HOUSEHOLD HAZARDOUS WASTE

The round-ups are for households only, not for waste generated by businesses, schools, churches, charity organizations, camps or other groups. **NOTE: LATEX PAINT IS NOT ACCEPTED** (Paint that can be cleaned up w/ soap & water.)

Materials accepted: oil or solvent-based paint, (no latex paint), varnish, mineral spirits, caustic household cleaners, adhesives, gasoline, sealers, polyurethane, herbicides, automotive fluids, roof tar, lighter fluids, primers and coatings, shellac, pesticides, motor oil, driveway sealer, mercury, paint thinner, turpentine, fungicides, car batteries and kerosene.

Strongsville MEDWISH Medical Supply Drive

Strongsville will participate this year in a **MEDWISH** supply drive from 9 a.m. to noon on May 11 at the Service Center. Residents can bring unused medical supplies to be donated. Items include but are not limited to:

- Ace Bandages
- Alcohol Swabs
- Antibiotic Ointment
- Band Aids
- BP Cuffs
- Crutches
- Walkers
- Gloves
- Glucose Strips
- Etc. (See website: www.medwish.org/give/medical-supplies/)

Strongsville Curbside Recycling: The Need-to-Know

The good news is most product packaging and paper can be recycled in your home. Cut your trash in **half** when you combine **paper, cans, cartons, glass and plastic bottles** in your curbside recycling.

Learn more at www.strongsville.org.

Not sure what's recyclable? No problem.

Check out our helpful guide below or visit CuyahogaRecycles.org or call 440-580-3124. The Strongsville Transfer Station is located behind 16099 Foltz Parkway (driveway along the railroad tracks). Hours: Monday-Friday 7am - 5pm, Saturday 8am - 2pm & Sunday 12pm - 5pm; 440-572-7590.

WHAT TO INCLUDE CURBSIDE:

Be sure to empty and rinse cans and bottles, replacing cap when necessary and flatten cardboard.

CANS

CARTONS

PLASTIC BOTTLES & JUGS

GLASS

PAPER & BOXES

All of these can be placed in a marked container or **blue** bag. Set out **RECYCLING** on the opposite side of the driveway from the trash. If your recycling was not picked up or if you are having difficulty with Recycling pick-up, please contact Republic Waste at 440-572-7590. If you notice that a drop-off container is full, please contact us.

WHAT TO PLACE IN THE TRASH:

Not all plastics are recyclable. We no longer refer to the number on the container, because not all numbered items can be recycled. **Plastics like Styrofoam™, plastic cups and utensils, takeout containers and clamshells for lettuce and berries cannot be recycled curbside. Place these items in the trash:**

CUPS, LIDS & UTENSILS

STYROFOAM™ & TAKE-OUT CONTAINERS

PLASTIC CLAMSHELLS

HOSES & ROPES

BROKEN CERAMICS

DURABLE PLASTICS

OTHER RECYCLING:

It's important to recycle correctly. Some items don't belong in your curbside recycling. Many items can be recycled, reused or donated elsewhere.

COMPUTERS

Computer Recycling drop-off Monday -Friday 8am-4pm at 16099 Foltz Pkwy at the dock garage doors. Monitors, CPUs, printers, terminals, mice, keyboards, modems, software, cellphones and ink cartridges accepted.

CONSTRUCTION MATERIALS

Consider donating construction materials to Habitat 4 Humanity. Otherwise take to Transfer Station for disposal for a fee. Monday- Saturday ONLY. 572-7590

PLASTIC BAGS

Plastic bags are one of the most common items found in landfills. In an effort to reduce this, Giant Eagle, Heinen's, Marc's and Walmart now offer plastic bag recycling.

PROPANE TANKS

Residents can recycle their unwanted 20# grill tanks by writing "RECYCLE" on the tank and taking it to any Blue Rhino location. Non-Rhino brands included.

SHREDDED PAPER

Shredded paper can make a mess if left curbside. Please place in a tied bag and drop in the River Valley Paper Recycling Bins (located at food bank, parks & fire stations).

CLOTHING & TEXTILES

Can be donated to local charities or left in orange bag on curb on normal trash day. For bags/questions, call: 1-866-835-5068 Simple Recycling

WHAT NEEDS PROPER DISPOSAL:

Other items require special handling for proper disposal.

BATTERIES

Primary/single-use alkaline batteries can be put in the regular trash. Rechargeable batteries can be recycled for free through local Call2Recycle drop boxes, found in the Apple Store, Best Buy, Home Depot, Lowe's, Sears Hardware & local hardware stores.

LATEX PAINT

Any paint that is LATEX (water clean-up) should be dried out (add kitty litter, sawdust etc.) and placed with the lid off in your regular trash.

FLUORESCENT BULBS

No longer accepted as Household Hazardous Waste Roundup. Compact Fluorescent Light Bulbs are accepted at Home Depot, Lowes & Batteries+Bulbs for proper disposal.

MEDICATIONS

The Strongsville Police Department offers 24/7 dropoff for prescription drugs. Pour pills into Ziplock bag & place in dropbox in the Police Station Lobby.

NEEDLES

Place needles in a SHARPS container or heavy duty bottle (i.e. detergent) & mark SHARPS. Take container to the Strongsville Transfer Station for proper safe disposal.
