REGISTRATION AND POLICIES

- For all sessions of a brochure (Winter, Summer, Fall) **the first session** of the lessons will open to members then resident/non-members and finally non-resident/non-members per the dates set in the brochure. Subsequent sessions of that brochure season open on the **last day of current session for those with report cards** (Changing of times or dates will not be honored until after those with report cards for the current class have had a chance to register. Exceptions may be for leveling up from level 3 or parent/youth. The times may not match for next level); **for those without report cards, online registration begins at 9:30pm the last day of class and in-person/phone registration begins the following day.**
- Refunds can be requested up to 7 days prior to the start of class without question. After that no refunds will be given. Participants take the risk of schedule changes or changes in health.
- If the class is full, you may ask the front desk staff to add your name to the waiting list.
- If your child has any special needs, it would be helpful if you would inform the instructor/Aquatic Supervisors, before the first day of class, so they can better work with your child.

AQUATIC WAIT LIST

The main purpose of the wait list book is to determine if there is a need to add additional classes. On occasion if there are openings in classes, or if we have the ability to add additional instructors, we will call those who have their name in the wait list book.

- Having a name on the wait list does not guarantee that you will receive a phone call or a spot in a class.
- It is your responsibility to call the front desk at the end of a session to see if any spots have opened up. Many times children are transferred to other classes or decide not to take a class which results in spots becoming available. The aquatic supervisors will not check the wait list until a few days before the start of a new session with the intent of trying to fill spots that are still open.
- Please be aware that when phone calls are made to those on the wait list, registration is on a first come basis no matter what number you are on the wait list. This is only a courtesy call letting you know that at that particular time, there are openings in the class if you still wish to sign up. It does not mean that a spot is being held for you and the spot(s) may be filled by the time you call back.
- It does not mean that a spot is being held for you and the spot(s) may be filled by the time you call back.
