# Brush Chipping Service : The Need-to-Know

## There Are 3 Options for Handling Residential Brush:

- **Take brush to the Transfer Station on Foltz Parkway**  
(Drive located on east side of the railroad tracks).
- **Bundle branches in 4 ft. lengths (no more than 35 lbs/bundle)**  
Leave out for Republic Waste on a normal trash day.
- **Call the City Service Department after the branches are out on the curb for pick-up request.**  
Please allow up to a week for service. If demand is great, a delay in service may occur.

## Guidelines for Service Department Pick-Up

### **\*Normal Residential Brush Only, no land clearing.**

*(If you hire a contractor, the contractor is responsible for the removal of the brush. If these guidelines are not followed, the City has the right to refuse pick-up.)*

- **City will only pick up at curb (do not obstruct sidewalk or street)**
- **Place all cut ends in one direction**
- **Keep stack pile as neat as possible (branches only, no steel or metal debris)**
- **Branches up to 6 inches in diameter**
- **Branches must be longer than 4 ft. in length**

*Brush Chipping Service is ONLY available from March to September.*

### Strongsville Curbside Recycling: The Need-to-Know

The good news is most product packaging and paper can be recycled in your home. Cut your trash in **half** when you combine **paper, cans, cartons, glass** and **plastic bottles** in your curbside recycling.

*Learn more at [www.strongsville.org](http://www.strongsville.org).*

### Not sure what's recyclable? No problem.

Check out our helpful guide below or visit [CuyahogaRecycles.org](http://CuyahogaRecycles.org) or call 440-580-3124. The Strongsville Transfer Station is located behind the 16099 Foltz Parkway (driveway along the railroad tracks). Hours: Monday-Friday 7am - 5pm, Saturday 8am - 2pm & Sunday 12pm - 5pm; 440-572-7590.

### WHAT TO **INCLUDE** CURBSIDE:

Be sure to empty and rinse cans and bottles, replacing cap when necessary and flatten cardboard.

CANS

CARTONS

PLASTIC BOTTLES & JUGS

GLASS

PAPER & BOXES

All of these can be placed in ONE **blue** bag. Set out **RECYCLING** on the opposite side of the driveway from the trash. If your recycling was not picked up or if you are having difficulty with Recycling pick-up, please contact Republic Waste at 440-572-7590. If you notice that a drop-off container is full, please contact us. No construction materials accepted on Sundays.

## OTHER RECYCLING:

It's important to recycle correctly. Some items don't belong in your curbside recycling. Many items can be recycled, reused or donated elsewhere.

### COMPUTERS

Computer Recycling drop-off Monday -Friday 8am-4pm at 16099 Foltz Pkwy at the dock garage doors. Monitors, CPUs, printers, terminals, mice, keyboards, modems, software, cellphones and ink cartridges accepted.

### CONSTRUCTION MATERIALS

Consider donating construction materials to Habitat 4 Humanity. Otherwise take to Transfer Station for disposal for a fee. Monday- Saturday ONLY. 572-7590

### PLASTIC BAGS

Plastic bags are one of the most common items found in landfills. In an effort to reduce this, Giant Eagle, Heinen's, Marc's and Walmart now offer plastic bag recycling.

### PROPANE TANKS

Residents can recycle their unwanted 20# grill tanks by writing "RECYCLE" on the tank and taking it to any Blue Rhino location. Non-Rhino brands included.

### SHREDDED PAPER

Shredded paper can make a mess if left curbside. Please place in a tied bag and drop in the River Valley Paper Recycling Bins (located at food bank, parks & fire stations).

### SCRAP METAL & TIRES

Residents can drop off at the Transfer Station at no charge.

## WHAT NEEDS PROPER DISPOSAL:

Other items require special handling for proper disposal.

### BATTERIES

Primary/single-use alkaline batteries can be put in the regular trash. Rechargeable batteries can be recycled for free through local Call2Recycle drop boxes, found in the Apple Store, Best Buy, Home Depot, Lowe's, Sears Hardware & local hardware stores.

### LATEX PAINT

Any paint that is LATEX (water clean-up) should be dried out (add kitty litter, sawdust etc.) and placed with your regular trash.

### FLUORESCENT BULBS

No longer accepted as Household Hazardous Waste Roundup. Compact Fluorescent Light Bulbs are accepted at Home Depot, Lowes & Batteries+Bulbs for proper disposal.

### MEDICATIONS

The Strongsville Police Department offers 24/7 dropoff for prescription drugs. Pour pills into Ziplock bag & place in dropbox in the Police Station Lobby.

### NEEDLES

Place needles in a SHARPS container or heavy duty bottle (i.e. detergent) & mark SHARPS. Take container to the Strongsville Transfer Station for proper safe disposal.
