

CITY OF STRONGSVILLE, OHIO

ORDINANCE NO. 2017 – 136

BY: Mayor Perciak and All Members of Council

AN ORDINANCE PROVIDING FOR THE ISSUANCE AND SALE OF NOTES IN THE MAXIMUM PRINCIPAL AMOUNT OF \$2,100,000, IN ANTICIPATION OF THE ISSUANCE OF BONDS, FOR THE PURPOSE OF ACQUIRING VEHICLES AND RELATED ATTACHMENTS FOR THE CITY SERVICE DEPARTMENT, AND DECLARING AN EMERGENCY.

WHEREAS, the Director of Finance, as fiscal officer of this City, has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the bonds described in Section 1 is nine years, and the maximum maturity of the notes described in Section 3, to be issued in anticipation of the bonds, is fourteen years;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF STRONGSVILLE, CUYAHOGA COUNTY, OHIO, that:

Section 1. It is necessary to issue bonds of this City in the maximum principal amount of \$2,100,000 (the Bonds) for the purpose of acquiring vehicles and related attachments for the City Service Department.

Section 2. The Bonds shall be dated approximately October 1, 2018, shall bear interest at the now estimated rate of 5.0% per year, payable on June 1 and December 1 of each year, commencing December 1, 2018, until the principal amount is paid, and are estimated to mature in nine annual principal installments on December 1 of each year that are in such amounts that the total principal and interest payments in any fiscal year in which principal is payable are substantially equal. The first principal installment is estimated to be made on December 1, 2019.

Section 3. It is necessary to issue and this Council determines that notes in the maximum principal amount of \$2,100,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds. The Notes shall bear interest at a rate or rates not to exceed 6.0% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity and until the principal amount is paid or payment is provided for. The rate or rates of interest on the Notes shall be determined by the Director of Finance in the certificate awarding the Notes in accordance with Section 6 (the Certificate of Award). The Notes shall be dated the date of issuance and shall mature not earlier than six months from the date of issuance nor later than one year from the date of issuance, as determined by the Director of Finance in the Certificate of Award.

The aggregate principal amount of Notes to be issued consistent with this Section shall be issued in an amount determined by the Director of Finance in the Certificate of Award to be the aggregate principal amount of Notes required to be issued at this time, taking into account any premium above or discount from the aggregate principal amount of the Notes at which they are sold

to the original purchaser and other City funds available for the purpose, to pay costs of the improvement, including the costs of issuance of the Notes.

Section 4. The debt charges on the Notes shall be payable in Federal Reserve funds of the United States of America, without deduction for services of the City's paying agent, at the principal corporate trust office of The Huntington National Bank, Columbus, Ohio, or at the office of a bank or trust company designated by the Director of Finance in the Certificate of Award after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose, or at the office of the Director of Finance if agreed to by the Director of Finance and the original purchaser.

Section 5. The Notes shall be signed by the Mayor and Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Director of Finance, provided that no such denomination shall be less than \$100,000. The entire principal amount may be represented by a single note and may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry or other uncertificated form in accordance with Section 9.96 and Chapter 133 of the Revised Code if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this ordinance. As used in this section and this ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Notes “immobilized” in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of beneficial interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of beneficial interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and immobilized in the custody of the Depository or its agent for that purpose; (ii) the beneficial owners in book entry form shall have no right to receive

the Notes in the form of physical securities or certificates; (iii) ownership of beneficial interests in book entry form shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of beneficial interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the beneficial owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system for the Notes, including the execution of a Blanket Issuer Letter of Representations in the form utilized by The Depository Trust Company.

Section 6. The Notes shall be sold at not less than 97% of par at private sale by the Director of Finance in accordance with law and the provisions of this ordinance. The Director of Finance shall, in accordance with that officer's determination of the best interests of and financial advantages to the City and its taxpayers and based on conditions then existing in the financial markets, consistently with the provisions of Section 3, establish the principal amount of the Notes and the interest rates to be borne by the Notes and their maturity, sign the Certificate of Award referred to in Section 3 evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council (including within the meaning of each such office for purposes of this ordinance any person serving in an interim or acting capacity with respect to such office), and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements, paying agent agreement, bond purchase agreement and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Revised Code, provided that no denomination of that combined issue shall be less than \$100,000.

The Director of Finance, if he determines it to be in the best interest of and financial advantages to the City, is hereby authorized to retain the financial advisory services of a person or entity in connection with the sale and issuance of the Notes. In rendering those financial advisory services, as an independent contractor and in a financial advisor-client relationship, that person or entity shall not exercise any administrative discretion on behalf of this City in the formulation of

public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county, municipality or other political subdivision, or of this City, or the execution of public trusts.

Section 7. The proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

Section 8. The par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

Section 9. During the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the Bonds when and as the same fall due.

Section 10. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds, arbitrage bonds or hedge bonds under Sections 141, 148 or 149 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds to which Section 103(a) of the Code applies, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Notes are hereby designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code. In that connection, the City hereby represents and covenants that it, together with all its subordinate entities or entities that issue obligations on its behalf, or on behalf of which it issues obligations, in or during the calendar year in which the Notes are issued, (i) have not issued and will not issue tax-exempt obligations designated as “qualified tax-exempt obligations” for purposes of Section 265(b)(3) of the Code, including the Notes, in an aggregate amount in

excess of \$10,000,000, and (ii) have not issued, do not reasonably anticipate issuing, and will not issue, tax-exempt obligations (including the Notes, but excluding obligations, other than qualified 501(c)(3) bonds as defined in Section 145 of the Code, that are private activity bonds as defined in Section 141 of the Code and excluding refunding obligations that are not advance refunding obligations as defined in Section 149(d)(5) of the Code) in an aggregate amount exceeding \$10,000,000, unless the City first obtains a written opinion of nationally recognized bond counsel that such designation or issuance, as applicable, will not adversely affect the status of the Notes as “qualified tax-exempt obligations.” Further, the City represents and covenants that, during any time or in any manner as might affect the status of the Notes as “qualified tax-exempt obligations”, it has not formed or participated in the formation of, or benefited from or availed itself of, any entity in order to avoid the purposes of subparagraph (C) or (D) of Section 265(b)(3) of the Code, and will not form, participate in the formation of, or benefit from or avail itself of, any such entity. The City further represents that the Notes are not being issued as part of a direct or indirect composite issue that combines issues or lots of tax-exempt obligations of different issuers.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Section 11. In connection with the issuance of the Notes, the legal services of Squire Patton Boggs (US) LLP, as bond counsel, are retained pursuant to an engagement letter which has been delivered to the City by that firm. That engagement letter, and the execution thereof by the Mayor, the Director of Finance, the Director of Law, or any one of them, are hereby authorized, ratified and approved. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county, municipality or other political subdivision, or of this City, or the execution of public trusts.

Section 12. The Clerk of Council is directed to deliver a certified copy of this ordinance to the Cuyahoga County Fiscal Officer.

Section 13. This Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

Section 14. This Council finds and determines that all formal actions of this Council concerning and relating to the passage of this ordinance were taken in an open meeting of this Council and that all deliberations of this Council and of any committees that resulted in those formal actions were in meetings open to the public in compliance with the law.

Section 15. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the City, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to keep City streets and other public areas maintained in good condition to prevent injuries to people and vehicles; wherefore, this ordinance shall be in full force and effect immediately upon its passage and approval by the Mayor, provided it receives the affirmative vote of at least five members of the Council, otherwise it shall take effect and be in force from and after the earliest period allowed by law.

**FISCAL OFFICER'S CERTIFICATE**  
(Vehicle Acquisition Project)

To the Council of the City of Strongsville, Ohio:

As fiscal officer of the City of Strongsville, Ohio, I certify in connection with your proposed issue of not to exceed \$2,100,000 notes (the Notes) to be issued in anticipation of the issuance of bonds (the Bonds) for the purpose of acquiring vehicles and related attachments for the City Service Department (the improvement), that:

1. The estimated life or period of usefulness of the improvement is at least five years.
2. The estimated maximum maturity of the Bonds, calculated in accordance with Section 133.20 of the Revised Code, is nine years. That maximum maturity is based on my calculation of the average number of years of life or period of usefulness of the improvement as measured by the weighted average of the amounts proposed to be expended for the several classes of the improvement as follows: \$2,000,707 for road servicing vehicles and their attachments, 10 years, in accordance with Section 133.20; and \$99,293 for other motor vehicles, 5 years, in accordance with Section 133.20; the weighted average is therefore nine years. If notes in anticipation of the Bonds are outstanding later than the last day of December of the fifth year following the year of issuance of the original issue of notes, the period in excess of those five years shall be deducted from that maximum maturity of the Bonds.
3. The maximum maturity of the Notes is fourteen years from the date of the original note issued for the improvement.

Dated: September 5, 2017
