Dear Mayor Perciak:

Thank you for your interest in the Northeast Ohio Areawide Coordinating Agency's (NOACA) 2018 Enhanced Mobility for Seniors and Individuals With Disabilities (Section 5310) Program.

We are pleased to inform you that the City of Strongsville's request for a vehicle has been approved for funding by the NOACA Board of Directors. NOACA will provide 80% of the eligible costs, up to a maximum of \$40,000 in Federal funds in State Fiscal Year 2018. The 20% local share must be provided from a non-federal funding source. The corresponding Code of Federal Domestic Assistance (CFDA) number for these funds is 20.513.

Attached to this communication are the next steps to be undertaken to properly program your project for implementation. Please note that there is a grantee workshop at NOACA offices that will focus on responsibilities and requirements to ensure successful administration of the project. The workshop is required for first time grantees and optional for repeat grantees. See the attachment for the workshop date, time, and location.

NOACA looks forward to the opportunity to work with the City of Strongsville on this project. Please contact Jim Thompson at 216-241-2414, Extension 275, or by email with any questions.

Respectfully,

Grace Gallucci
Executive Director
