Strongsville City Club

Press Release

Strongsville City Club Launches Website

Website provides information on City Club and Programs

Strongsville, Ohio, March 31, 2010: The Strongsville City Club is announcing the launch of their website. The website can be found at www.StrongsvilleCityClub.org. The website provides the public with information about the Strongsville City Club's activities and the Strongsville Special Olympics. Visitors are able to go online and read about the many Capital Projects we have supported such as the Clock Tower, the Strongsville Cemetery Fence, Pat Catan Stadium, Backyard Preserve and many more. Visitors will also discover the many programs we fund for our youngest residents attending Safety Town, all the way up to some of our oldest residents who participate in the Senior Center programs. Those are only a few of the many programs and activities you will find us supporting through our labor and donations.

"Our ability to support a multitude of programs is dependent upon our Fundraising Programs. The new Strongsville City Club website will enable us to communicate with our visitors, vendors and sponsors," stated Terry Toth, Vice President. "Our site includes pages for the Annual Strongsville City Club Rib Burnoff and the Breakfast on the Covered Bridge. Our supporters and visitors will now have year round access to the information about these events including the Times, Dates, Vendors, Entertainment, Schedules, Tickets, Directions and much more."

In addition to promoting the fundraising programs, the Strongsville City Club has dedicated a section of the website to the Strongsville Special Olympics. They are very proud to have the resources to support the Special Olympics as they provide enormous support and training for the Special Olympians. Also in the Special Olympics section, information includes the Goals, Participation Guidelines, Schedules of Events, Training and Photo Albums of many of their competitive events and programs.

About Strongsville City Club: The Strongsville City Club was formed in 1968 by a group of civic leaders who established an Objective to "cultivate and promote mutual and civic interests". For over 40 years, the Strongsville City Club has contributed to our community through our Fundraising, Capital Projects, Community Activities and sponsorship of the Special Olympics. Best known for its annual Rib Burn Off and the Breakfast on the Covered Bridge, the City Club has been in the forefront of community projects since its founding.

The website was developed by RHB Consulting and Chad Allan Consulting, LLC.
