

Strongsville Household Hazardous Waste Events

Cuyahoga County Solid waste has discontinued their biannual HHW Roundup at the Fairgrounds. However, to assist our residents the City of Strongsville will be hosting three events this year for the collection of Household Hazardous Waste.

Due to changes in the disposal laws & illegal dumping, NEW drop off guidelines have been created.

These events are ONLY for HOUSEHOLDS - No businesses, schools, camps, churches, charity organizations, etc. Sorry!

NO LATEX PAINT ACCEPTED - it must be dried out and placed in regular trash.

Mark your calendar!

April 4th through April 9th

July 11th through July 16th

October 17th through October 22nd
