NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF STRONGSVILLE, COUNTY OF CUYAHOGA, AND STATE OF OHIO:

Section 1. That the Public Infrastructure Improvements described in the attached *Exhibit C*, if made or caused to be made, are hereby designated as those Public Infrastructure Improvements that directly benefit, or that once made will directly benefit, the Property, and are determined to be necessary for the public health, safety and welfare of the City and its residents, and will aid industry and commerce in the City.

Section 2. That pursuant to and in accordance with the provisions of Revised Code Section 5709.40, and, in particular, Section 5709.40(B), this Council hereby finds and determines that 100% of the increase in the assessed value of the Property that would first appear on the tax list and duplicate of real property after the effective date of this Ordinance (which increase in assessed value is referred to in this Ordinance as the “Improvement” or “Improvements” as defined in Revised Code Section 5709.40) is a public purpose, and 100% of the Improvement is hereby declared to be a public purpose for a period of 30 years and exempt from taxation commencing, for each individual parcel, in the tax year in which the Cuyahoga County Fiscal Officer determines the increase in value with respect to the Improvements for each such parcel (and if any parcels are consolidated, the resulting consolidated parcel) meets or exceeds \$100,000 in true value for any one root parcel or \$500,000 in true value for any consolidated parcel; and ending on the earlier of (a) the date the Improvements have been exempted from taxation for a period of 30 years or (b) the date on which the City has collected into the Municipal Public Improvement Tax Increment Equivalent Fund established in Section 4 hereof a total amount of Service Payments available for and sufficient to pay the costs provided in Section 4 hereof; provided, however, that Service Payments shall be paid to the Strongsville City School District and the Polaris Joint Vocational School District in the amount of the taxes

that would have been payable to both the Strongsville City School District and the Polaris Joint Vocational School District if the Improvements had not been exempted from taxation.

Section 3. That as provided in Revised Code Section 5709.42, the owner or owners of the Improvements are hereby required to and shall pay the Service Payments to the County Treasurer on or before the final dates for payment of real property taxes, which Service Payments, together with any associated rollback payments, shall be deposited in the **Camden Woods** Municipal Public Improvement Tax Increment Equivalent Fund established in Section 4 hereof. In accordance with Revised Code Section 5709.42, the County Treasurer shall distribute a portion of the Service Payments directly to the Strongsville City School District and the Polaris Joint Vocational School District in an amount equal to the property tax payments the Strongsville City School District and the Polaris Joint Vocational School District would each have received from the portion of the Improvements exempted from taxation, had such Improvements not been exempted from taxation. This Council hereby authorizes the Mayor, Director of Finance and Law Director, and other appropriate officers of the City, to provide such information and certifications, and execute and deliver or accept delivery of such instruments, as are necessary or incidental to collect those Service Payments, and to make such arrangements as are necessary and proper for payment of the Service Payments.

Section 4. That this Council hereby establishes pursuant to and in accordance with the provisions of Revised Code Section 5709.43, the **Camden Woods** Public Improvement Tax Increment Equivalent Fund (the “Fund”), into which shall be deposited all of the Service Payments and any associated rollback payments distributed to the City with respect to the Improvements on the Property by or on behalf of the County Treasurer, as provided in Revised Code Section 5709.42, and hereby agrees that moneys in the Fund shall be used for any or all of the following purposes and in the following order:

- (b) after the payment of the items described in item (a) above and the reimbursement to Developer with respect to item (a) above, for the use by the City for other City Public Infrastructure Improvements that directly benefit the Property.

The Fund shall remain in existence so long as the Service Payments are collected and used for the aforesaid purposes, after which said Fund shall be dissolved in accordance with Revised Code Section 5709.43.

Project Development Agreement
(City of Strongsville - Camden Woods)

This Project Development Agreement (this "Agreement") is made effective and entered into as of _____, 2023 (the "Effective Date"), between the City of Strongsville, Ohio (the "City"), a municipal corporation and political subdivision organized and existing under the laws of the State of Ohio (the "State") and its Charter, and Camden Woods, LLC (the "Developer"), an Ohio limited liability company.

Recitals

A. The Developer has acquired and plans to improve, develop, and redevelop approximately 32-acres of property (the "Property") located at or around the southeast corner of the intersection of Prospect Road and Royalton Road in the City and currently known as Permanent Parcel Numbers 393-15-002, 393-15-003, 393-15-004, 393-15-005, 393-15-006, 393-15-007, 393-15-008, 393-15-009, 393-15-010, 393-15-012, 393-15-013, and 393-15-014 in the records of the Cuyahoga County Fiscal Office (collectively, as such parcels may be consolidated or split, the "Project Site") and as more particularly described in the legal descriptions [and Lot Split and Consolidation Plat] attached as ***Exhibit A*** and ***Exhibit A-1***, respectively.

B. The Developer intends to improve the Project Site by (i) constructing approximately 82 cluster commercial homes for rent, consisting of approximately 20, three-unit buildings and 11, two-unit buildings (the "Cluster Homes"), and performing certain demolition, grading, and other related site work on the Project Site, (ii) constructing an approximately 5,000-square-foot commercial building on that certain portion of the Project Site zoned Local Business and consisting of approximately 1.10 acres ("Retail"), all of which are described on the attached ***Exhibit B*** (collectively, the "Developer Improvements"), and (iii) constructing the necessary public infrastructure improvements which include construction and installation of a roadway, utilities, sanitary sewer and water system improvements, storm water retention, as well as certain streetscape, lighting and sidewalk improvements as further described in more detail on the attached ***Exhibit C*** (the "Public Improvements" and, together with the Developer Improvements, the "Improvements"), and as approved by the City's Planning Commission, Building Department, Engineering Department and other City boards, commissions and departments (collectively, "City Review & Approval Bodies"). The Public Improvements, once made, will directly benefit the Property, the City, its residents, and the general public, and will aid industry and commerce in the City (collectively, the "Project").

C. The City has determined that the construction of the Improvements on the Project Site, and the fulfillment generally of this Agreement, are in the best interests of the City and necessary for economic development purposes and the health, safety and welfare of its residents, and are necessary for the purpose of enhancing the availability of commercial rental housing, creating jobs and employment opportunities, and improving the economic welfare of the people of the City, and the acquisition of the Public Improvements will also aid industry and commerce in the City. D. Pursuant to Ohio Revised Code (the "Revised Code") Sections 5709.40, 5709.42 and 5709.43 (the "TIF Statutes"), the City Council (the "Council") passed the TIF Ordinance (as defined below) to exempt from real property taxation the incremental increase in assessed value

of the Project Site resulting from the construction of the Improvements and providing: (i) that the Improvements are a public purpose, and designating the Improvements as a public infrastructure improvement benefiting the Project Site; (ii) for the payment of service payments in lieu of taxes (the "Service Payments"), by the Developer and any successors in interest to the Project Site, as obligations running with the land for the duration of the Covenant Period (as defined below), with respect to the real property comprising the Project Site; (iii) for the use of the Service Payments for costs of the Public Improvements, as approved by the City.

In consideration of the foregoing Recitals and as an inducement to and in consideration of the conditions and covenants contained in this Agreement, the parties agree as follows:

Article I The Improvements

Section 1.01 Improvements. The Developer agrees to construct the Improvements, at its own expense, as set forth in the Plans and Specifications (as defined below) as approved by the City Review & Approval Bodies in accordance with Article III of this Agreement. Upon receipt of Service Payments (as defined below) and after making the payments described in Section 2.02, the City will reimburse the Developer for Allowable Costs (as defined below) incurred by Developer for constructing the Public Improvements. The parties acknowledge that the Developer is solely responsible for the Improvements, and the City shall not be a party with respect to any construction or other agreements with respect to the Improvements.

Section 1.02 Job Creation. The Developer anticipates that: (a) during construction of the Improvements, approximately 100 jobs will be created; (b) upon completion of the Cluster Homes, two management jobs will be created, and upon completion of the Retail up to 30 new jobs will be created within six months; and (c) the Retail could generate an annual payroll of approximately \$1,000,000 with additional payroll from the Cluster Homes of approximately \$150,000 annually. The City acknowledges that these are Developer's best estimates based on current information and anticipated usage of the Retail.

Section 1.03 Public Improvements. The parties acknowledge that the Public Improvements on the Project Site are necessary for the construction of the Developer Improvements and will directly benefit the Project Site and the surrounding area. The Developer shall construct the Public Improvements solely from its own funds. The parties acknowledge that the Developer is solely responsible for the Public Improvements, and the City shall not be a party with respect to any construction or other agreements with respect to the Public Improvements.

Section 1.04 Costs of Improvements. The Developer estimates that the cost of the Improvements shall be approximately \$26,188,074 for the Developer Improvements and approximately \$5,811,926 for the Public Improvements, representing a total investment of approximately \$32,000,000.

Section 1.05 Construction. Construction of the Improvements shall commence no later than August 31, 2023 ("Commencement Date") and the Cluster Homes shall be substantially complete no later than 14 months following the Commencement Date no later, subject to the

provisions of Article VIII of this Agreement. The Developer will commence construction of the Retail promptly following identification of users. The Developer shall not commence construction of the Improvements prior to the City's Review & Approval Bodies approval of the Plans and Specifications.

Section 1.06 Final Completion Certificate. The Public Improvements shall be deemed completed when the Developer shall have provided to the City, and the City shall have approved, a certificate that the Public Improvements are complete and ready for final acquisition and acceptance by the City by dedication (the "Final Completion Certificate"), prepared and signed by an authorized representative of the Developer, which certificate shall provide the following:

- (a) generally describe all property acquired, constructed, installed or otherwise improved as part of the Public Improvements;
- (b) the total costs of constructing the Public Improvements, including a breakdown of the components of the costs of the Public Improvements, in the format attached as ***Exhibit C***;
- (c) the date of completion of construction of the Public Improvements;
- (d) that the construction of such Public Improvements has been completed in accordance with the Plans and Specifications, and that all costs then due and payable in connection therewith have been paid, there are no mechanics' liens, and all obligations, costs and expenses in connection with such Public Improvements have been paid or discharged;
- (e) that all other facilities and improvements necessary for the proper functioning of such Public Improvements have been provided and all costs and expenses incurred in connection with such facilities have been paid or discharged, including all punch-list items and any associated retainages;
- (f) that the construction of such Public Improvements and any other facilities described in clause (e) has been accomplished in a manner that conforms to all applicable zoning, planning, building, environmental, and other regulations of each federal, state, county or municipal government, or political subdivision thereof, any governmental or quasi-governmental agency, authority, board, bureau, commission, department, instrumentality, or public body, or nay court, administrative tribunal, or public utility (each a "Governmental Authority") having jurisdiction over such Public Improvements;
- (g) that all licenses and approvals for the use and operation of such Public Improvements then required by any Governmental Authority have been obtained; and
- (h) that the construction of such Public Improvements has been accomplished in a manner that permits the City, after dedication to the City and granting of a permanent non-exclusive easement, to use and operate such Public Improvements for the applicable public purposes pursuant to this Agreement.

Section 1.07 Acceptance of Public Improvements. The City has no obligation to acquire and accept the Public Improvements until:

(a) the Public Improvements are satisfactorily completed in accordance with the Plans and Specifications, as evidenced by the certificate provided by the City Engineer, and are properly acquired and dedicated as public rights-of-way and easements to the City;

(b) the City has received the executed Final Completion Certificate and all documents and instruments to be delivered to the City in accordance with the Plans and Specifications;

(c) the City has received evidence reasonably satisfactory to it that all liens on the Public Improvements, including but not limited to, tax liens then due and payable, the lien of any mortgage, and any mechanics' liens, have been released or, with respect to mechanics' liens, security therefor has been provided;

(d) lien waivers are provided by all contractors and suppliers with respect to the Public Improvements;

(e) the final plat has been submitted to the City for the acceptance of any dedication of any street, improvements, or land for public use and for the acceptance of any easement as required by the City's subdivision regulations and ordinances; and

(f) the satisfaction of all requirements related to the Public Improvements, including platting and dedication requirements, as provided in the City's Codified Ordinances and other City regulations.

The City agrees to accept and acquire the Public Improvements by dedication or otherwise, and the rights-of-way allocable thereto, promptly upon (and in any event within 90 days after) the satisfaction of the conditions listed in this Section 1.07. The City agrees to provide the Developer with an exemption certificate for sales and use tax in connection with the construction of the Public Improvements. The City's acquisition and acceptance of the Public Improvements, however, does not relieve the Developer of its responsibility for defects in material or workmanship.

Section 1.08 Compliance with Laws, Rules and Regulations. The Developer and its respective officers, agents, employees and any other persons over whom the Developer has control, shall comply with all present and future laws and ordinances of the City, Federal, State and other local governmental bodies, applicable to or affecting directly or indirectly the Developer or its operations and activities on or in connection with the construction and operation of the Improvements.

Section 1.09 Insurance. Developer shall purchase from, and, until dedication to and acceptance by the City of the Public Improvements, maintain with a company or companies lawfully authorized to do business in the jurisdiction in which the Public Improvements are located, comprehensive general liability insurance, for property damage and personal injury or death, which may be provided by umbrella or excess liability policies, and worker's compensation insurance (including employer's liability insurance), for all employees, if any, of the Developer and for all employees, if any, of the Developer's agent(s) and the contractor(s) and subcontractor(s) engaged on or with respect to the Public Improvements or the construction, installation, equipping and improvement of the Project, in such amounts as are established by

law; provided that, the Developer may satisfy the requirements of this Section with respect to employees of the Developer's agents, and the contractors and subcontractors, through separate policies provided by each agent or contractor.

Section 1.10 Prevailing Wage—Public Improvements. The Developer shall require that all wages paid to laborers and mechanics employed in connection with the construction of the Public Improvements shall be paid at not less than the prevailing rates of wages for laborers and mechanics for each class of work called for by the Public Improvements, which wages shall be determined in accordance with the requirements of Chapter 4115, Ohio Revised Code, for determination of prevailing wage rates. To the extent required by law, the Developer shall comply, and shall require compliance by all contractors or subcontractors working on the Public Improvements, with all applicable requirements of Sections 4115.03 through 4115.16, Ohio Revised Code and Section 210.11 of the City's Codified Ordinances. In furtherance thereof, the Developer shall be responsible for (a) obtaining from the Ohio Department of Commerce, Wage and Hour Division, its determination of the prevailing rates of wages to be paid for all classes of work called for by the Public Improvements, (b) obtaining the designation of and/or providing for a Prevailing Wage Coordinator for the Public Improvements pursuant to Section 4115.032, Ohio Revised Code, and (c) ensuring that all contractors and subcontractors receive notification of changes in prevailing wage rates as required under Section 4115.05, Ohio Revised Code. At such time as the City requests, the Developer shall be required to provide the City with evidence, reasonably satisfactory to the City, that there has been compliance with the foregoing requirements. The Developer agrees that it shall require that representatives of the City have access to each contractor's personnel and all documents pertaining to the Public Improvements and that such representatives shall have access to the Public Improvements, in each case to the extent as may be necessary to monitor and review compliance with this subsection, but that the City shall not be liable for any failure to comply with this subsection. The Developer shall cooperate fully with representatives of the City in carrying out such tasks.

Article II

Tax Increment Financing; Service Payments

Section 2.01 TIF Ordinance. The TIF Ordinance, a copy of which is attached to this Agreement as **Exhibit D**, provides for the following with respect to the Project Site: (a) declares the Improvements (as defined in Section 5709.40 of the Revised Code) to the Project Site to be a public purpose for purposes of Section 5709.40 of the Revised Code; (b) requires the Developer, its successors or assigns, and any current or future owners of the Project Site and any current or future lessors, lessees, or owners of the Project Site (hereinafter collectively referred to as the "Owners" and individually as an "Owner") of the Project Site to make service payments to the County Treasurer in lieu of taxes (the "Service Payments") to finance the costs of the Public Improvements; and (c) establishes the Camden Woods Public Improvement Tax Increment Financing ("TIF") Fund ("TIF Fund").

Section 2.02 Service Payments; Disbursements from the TIF Fund.

(a) The City shall use the Service Payments actually received by the City (net of any fees imposed by the Cuyahoga County Fiscal Officer) during the period that the Project Site is exempt from real property taxation first pay out-of-pocket expenses of the City, including the

reasonable fees of Calfee, Halter & Griswold LLP, special counsel to the City, incurred in connection with the passage of the TIF Ordinance, the preparation and review of the Development Agreement and all documents and instruments related to the TIF, and the administration of the TIF Fund, and then to reimburse the Developer for Allowable Costs (defined below) of the Public Improvements. The period of exemption shall continue until the maximum period permitted by TIF Ordinance (but in no event later than December 31, 2053). If, for any reason, the exemption from real property taxation ends prior to the full reimbursement of the Developer for the Allowable Costs of such Public Improvements, the City shall have no further liability to the Developer for reimbursement.

(b) After completion of the Public Improvements and the acceptance of the dedication of the Public Improvements, Developer shall certify the Allowable Costs of the Public Improvements to the City using the form attached as **Exhibit E**. The City shall review the Developer's certification to confirm the calculation of the Allowable Costs and the ability to provide payments of such Allowable Costs from the TIF Fund under Ohio law. After the finalization of the Allowable Costs, the City shall disburse the amounts in the TIF Fund to or at the direction of the Developer twice a year (after the payment of any fees and expenses incurred by the City as described in (a) above), within 60 days of the City's actual receipt of Service Payments from the County, up to the amount of the Allowable Costs as certified and agreed upon by the City and the Developer. At such time as the aggregate of all disbursements from the TIF Fund have paid the Allowable Costs in full, the City shall notify the Developer and shall not have any further obligation to reimburse Developer for the Allowable Costs. The Developer agrees to promptly repay any amounts erroneously paid by the City to the Developer in excess of the Allowable Costs upon written notice of the same by the City.

(c) The Developer acknowledges that the funds in the TIF Fund will not be available until (i) after the completion of the construction of the Improvements, (ii) approval of the TIF by the State Department of Taxation, and (iii) receipt of the Service Payments from the Cuyahoga County Fiscal Officer.

(d) The City is not required to reimburse the Developer for any Allowable Costs under this Agreement while an Event of Default by the Developer exists and is continuing under this Agreement. The City does not assume, and is expressly released and discharged by the Developer from, any and all liability or responsibility whatsoever that might or could arise out of the method, manner, or application of such disbursements from the TIF Fund in accordance with this Agreement, the Plans and Specifications, or any of the document related thereto, or as to any liens whatsoever that might attach to or be filed against the Project or the Public Improvements or the TIF Fund other than as relate to the City's willful misconduct, grossly negligent acts, wrongful withholding of approval or material breach of obligations under this Agreement, the Plans and Specifications, or any of the document related thereto. The Developer acknowledges that it has no right to funds in the TIF Fund other than as arise under this Agreement.

(e) Notwithstanding anything to the contrary contained in this Agreement, (i) the City's obligation to reimburse the Developer for Allowable Costs of the Public Improvements, and (ii) any other obligation of the City arising out of this Agreement, shall not constitute a debt or pledge of the faith and credit of the City, and the City shall have no obligation to pay the Developer other than from Service Payments received by the City. The Developer acknowledges

that the disbursements from the TIF Fund may not be adequate to fully repay the Developer all of the Allowable Costs

(f) For purposes of this Agreement, the term "Allowable Costs" means all amounts paid by the Developer within the categories encompassed by the line items of the TIF Funding Estimates for the Public Improvements described in *Exhibit C* and in accordance with this Agreement and shall also include, in any event, whether or not included in the foregoing, all "hard costs" and "soft costs" and all costs of designing, constructing, permitting, equipping, and completing the Public Improvements, including without limitation, all other costs of construction, interest, taxes, if any, insurance, fees for architects, engineers, attorneys, accountants and consultants and other related expenses attributed to the Public Improvements. To the extent that any portion of the Allowable Costs were paid by the Developer to any affiliate or related entity of the Developer, the Developer represents and warrants that such amounts will not be greater than the amounts that would have otherwise been paid for the same services, materials or expenses in an arms' length transaction between the Developer and an unrelated third-party.

Notwithstanding anything to the contrary in this Agreement, in no event shall the amount of Allowable Costs of the Public Improvements to be reimbursed by the City from money in the TIF Fund exceed \$5,811,926.

Section 2.03 Covenant to Make Service Payments. Developer agrees for itself and its successors and assigns and any future Owners of the Project Site to make Service Payments pursuant to the terms and conditions of this Agreement from the effective date of the exemption granted by the TIF Ordinance through the end of the exemption period as described in Section 2.02 of this Agreement (the "Covenant Period").

Section 2.04 No Contests of Assessed Valuation. Developer agrees, for itself and its successors and assigns and any future Owners of the Project Site, from and after the first full year following the completion of the Developer Improvements, not to contest the assessed valuation of the Cluster Homes for real property tax purposes below a fair market value of \$10,000,000, and of the Retail for real property tax purposes below a fair market value of \$2,500,000, each as determined by the Cuyahoga County Fiscal Office, throughout the term on the Covenant Period.

Section 2.05 Declaration of Covenants Run with the Land. It is agreed that the covenants provided in Section 2.03 of this Agreement shall run with the land, and in any event and without regard to technical classification, be binding to the fullest extent permitted by law and equity, for the benefit and in favor of, and enforceable by, the City, its successors and assigns, against the Developer, and any successors and assigns and any future Owners of the Project Site, including without limitation any grantee in a conveyance of the Project Site through judicial process and, to the extent permitted by law, without expiration, until the expiration of the Covenant Period. These covenants, however, shall run with the land during the Covenant Period and be binding whether or not this Agreement remains in effect or whether or not this provision is included in any succeeding agreement, deed or lease with the Developer or its successors or assigns or any future Owner. The Developer agrees to execute and deliver one or more Declarations of Restrictive Covenants in form reasonably satisfactory to the City for recording in

the Cuyahoga County Fiscal Officer's office, evidencing the obligations of the Developer and its successors and assigns, and any future Owner having an interest in the Project Site, or a portion thereof, to make Service Payments.

It is further agreed that the covenants provided in Section 2.03 shall be binding on the Developer, or any successor or assign and any future Owner, only for that period that such person or entity has title to, an interest in, or possession or occupancy of the Project Site, or a portion thereof.

Section 2.06 Priority of TIF Exemption. The City and the Developer acknowledge and agree that the exemption from real property taxation for the Improvements authorized by the TIF Statutes and the TIF Ordinance shall be superior to any other exemption with respect to the Property or portion of the TIF Property granted under any other provision of the Revised Code. The Developer agrees to prepare and file, in cooperation with the City, all necessary applications and supporting documents to obtain the exemption from real property taxation for the Improvements authorized by the TIF Statutes and the TIF Ordinance as soon as practicable following the passage of the TIF Ordinance. The Developer further agrees to (a) refrain from filing any application for exemption that would conflict with the exemption authorized by the TIF Act and the TIF Ordinance, and (b) refrain from any uses of the Project or the Project Site that would conflict with the exemption authorized by the TIF Statutes and the TIF Ordinance. The City and the Developer shall cooperate in good faith to ensure compliance with all applicable requirements of the TIF Statutes and any related statutes necessary or appropriate to provide for the Service Payments. The City shall have no liability or responsibility for the State Department of Taxation approval of the TIF exemptions granted pursuant to the TIF Ordinance, provided that the City shall cooperate with the Developer in seeking such exemption.

Section 2.07 Failure to Make Service Payments. Should Developer, or any successor or assign or any future Owner fail to make any Service Payment, the Developer, or its successors or assigns or future Owner, as applicable, shall pay, in addition to the Service Payments it is required to pay under this Agreement, (a) a penalty that will bear interest at the then-current rate established under Ohio Revised Code Sections 323.121(B)(1) and 5703.47, as may be amended or replaced after the date of this Agreement, and (b) such amount as is required to reimburse the City for any and all reasonable and actually incurred out-of-pocket costs, expenses and amounts (including reasonable attorneys' fees) required by the City to enforce provisions of this Agreement against Developer, or any successor or assign and any future Owner.

Section 2.08 Statutory Compliance. The City and the Developer shall cooperate in good faith to ensure compliance with all applicable requirements of the TIF Statutes and any related statutes necessary or appropriate to provide for the Service Payments.

Article III

Plans and Specifications - Reviews, Approvals and Permits

The Developer shall submit to the applicable Review & Approval Bodies for review and approval its plans, drawings, and other materials in connection with the Improvements (the "Plans and Specifications"). The City and the Review & Approval Bodies shall not be responsible for, or participate in the development, planning, or preparation of, the Plans and

Specifications. The City's review shall be consistent with the applicable City zoning, building, and related code requirements and approvals for purposes of this Article III, including but not limited to the City's Review & Approval Bodies and City Council. The Plans and Specifications shall include, but not be limited, to a site plan, building layout, elevations of structures, parking, landscaping, signage, and any other planning materials that reasonably are required by the City's Review & Approval Bodies for comparable projects in the City. The Developer shall submit the Plans and Specifications to the City's Planning Commission within 30 days of the Effective Date.

The Developer shall prepare the necessary construction drawings and specifications for the purpose of obtaining demolition, building, and construction permits for the Improvements from the City's Building Department and other applicable permitting bodies for the Improvements.

Article IV

Covenants and Obligations of the Developer and Owner; Representations of City and Developer

Section 4.01 Preparation and Filing of Notice of the TIF Exemption. The Developer shall cause a notice to be recorded and prepared in accordance with the provisions of Section 5709.911(C)(1) of the Ohio Revised Code, at the office of the Cuyahoga County Fiscal Officer, requiring future owners of the Project Site to make Service Payments.

Section 4.02 Enforceability of Obligations Against Developer and an Owner. The obligation to perform and observe the agreements contained in this Agreement on the part of the Developer, or any successor or assign and any future Owner, shall be binding and enforceable by the City against the Developer, or any successor or assign and any future Owner with respect to (and only to) such person or entity's interest in its portion of the Project Site, or any parts thereof or any interest therein. In the event Developer, or any successor or assign and any future Owner no longer holds any real property interest in the Project Site, such Developer, successor or assign or future Owner shall have no further obligation under this Agreement.

Section 4.03 Binding Nature of Obligations.

(a) Subject to Section 4.02, the duty to perform the obligations of this Agreement shall be binding and enforceable against the Developer, or any successor or assign and any future Owner by the City.

(b) The obligations of the Developer, or any successor or assign and any future Owner under this Agreement shall not be terminated for any cause including, without limiting the scope of the foregoing, but by way of example, delay in completion of or failure to complete the Improvements; any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Improvements; commercial frustration of purpose; any change in the constitution, tax or other laws or judicial decisions or administrative rulings or of administrative actions by or under the authority of the United States of America or of the State or any political subdivision of the State. Except as otherwise expressly provided for in this Agreement, nothing contained in this Agreement shall be construed to release the Developer, or

any successor or assign and any future Owner from the performance of any of its agreements or obligations contained in this Agreement.

Section 4.04 Payment of Taxes. The Developer, or any successor or assign and any future Owner shall pay or cause to be paid, as the same become due, all taxes, assessments, whether general or special, and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against, or with respect to, the property of the Developer, or any successor or assign and any future Owner which is part of the Project Site or any personal property or fixtures of the Developer, or any successor or assign and any future Owner installed or brought therein or thereon (including, without limiting the generality of the foregoing, but by way of example, any taxes levied against the Developer, or any successor or assign and any future Owner with respect to the Developer Improvements, receipts, income or profits from the operations of the Developer, or any successor or assign and any future Owner at the Project, which, if not paid, may become or be made a lien on all or a portion of the Project Site) and all utility and other charges incurred by the Developer, or any successor or assign and any future Owner in the operation, maintenance, use, occupancy and upkeep of that portion of the Project Site held by the Developer, or any successor or assign and any future Owner.

Article VI

Events of Default

The following events are "Events of Default" under this Agreement:

Section 6.01 Events of Default.

(a) The failure of Developer, or any successor or assign or any future Owner (i) to pay, no later than the fifth calendar day following its due date, any Service Payment, or installment of any Service Payment due by Developer, or any successor or assign or any future Owner, including any applicable late payment charges; or (ii) to perform any covenant made by it or any of the requirements imposed on it set forth in this Agreement within 30 days after Developer's receipt of notice of such failure by the City.

(b) The Developer fails to materially comply with any term, provision, or covenant of this Agreement, and the Developer fails, within 30 days after written demand from the City, to remedy the default, including, without limitation, timely completion of construction of the Improvements, subject to the provisions of Article VIII of this Agreement.

(c) Prior to the completion of the Improvements, the Developer (i) is adjudged insolvent, (ii) admits in writing its inability to pay its debts generally as they become due, (iii) makes a fraudulent transfer, or (iv) makes an assignment for the benefit of creditors.

(d) Prior to the completion of the Improvements, the Developer (i) files a petition under any section or chapter of the federal bankruptcy laws, as amended, or under any similar law or statute of the United States or any state thereof, or (ii) is adjudged bankrupt or insolvent in proceedings filed against the Developer under those laws or statutes.

(e) Prior to the completion of the Improvements, a receiver or trustee is appointed for all or substantially all of the assets of the Developer, which receiver is not discharged within 90 days after the appointment.

Section 6.02 Events of Default by the City. The City fails to materially comply with any term, provision, or covenant of this Agreement, and the City fails, within 30 days after written demand from the Developer, to remedy the default.

Article VII

Remedies

Section 7.01 Generally. If any Event of Default occurs, the Developer, shall promptly (and in any event within 30 days after receipt of the written notice, unless a different cure period is specified in the written notice), cure or remedy such Event of Default or, if such Event of Default is of such nature that it cannot be cured or remedied within the applicable cure period, the Developer shall commence its actions to cure or remedy such default within the applicable cure period, and proceed diligently thereafter to cure or remedy such Event of Default. In case

such action is not taken or not diligently pursued, or the Event of Default is not cured or remedied within the required time, the City may:

(a) institute any proceedings that it deems reasonably necessary to recover damages suffered as the result of the default;

(b) institute any proceedings that it deems reasonably necessary to cure and remedy the default, including, but not limited to, proceedings against the Developer in default to compel specific performance of its obligations; and

(c) take any other action that it deems reasonably necessary to cure the default at law or in equity.

Section 7.02 Enforcement; Foreclosure of Lien. The provisions of this Agreement with respect to the obligations of a Developer, or any successor or assign or any Owner may be enforced to the fullest extent permitted by law, by the City. It is the intention of the Developer that this Agreement and the covenants contained in this Agreement shall be specifically enforceable by the City, in law or in equity. It is the further intention and agreement of the Developer that this Agreement shall constitute and be deemed a lien encumbering and running with the Project Site to secure the obligation of the Developer, or any successor or assign or any future Owner to make Service Payments, and, if applicable, to pay interest and penalties described in this Agreement, intended to have same lien rights as real estate taxes and the same priority in accordance with Section 323.11 and 5709.91 of the Revised Code. In furtherance of the foregoing, it is the intention of the Developer, or any successor or assign and any future Owner that the City, upon the occurrence of an Event of Default set forth in Section 6.01 of this Agreement, and without limiting any other right or remedy otherwise available to the City, take all such steps as may be legally available to it to foreclose upon such lien pursuant to the procedures and requirements of Ohio law relating to either mortgage liens or delinquent real estate taxes; provided, however, that nothing contained in this Agreement shall be deemed to authorize the acceleration of Service Payments due in future years. The provisions of this Section 7.02 shall encumber and run with the Project Site. Furthermore, the obligations of the City to reimburse Developer or its assigns for the Allowable Costs from the TIF Fund in the manner and the time as provided in this Agreement are intended to be and are obligations of the City enforceable by mandamus, and the City shall disburse amounts held in the TIF Fund (if any) in accordance with this Agreement regardless of any default or claimed default of a future Owner occurring after completion and dedication of the Public Improvements.

Section 7.03 Other Rights and Remedies of City; No Waiver by Delay. If an Event of Default by the Developer remains uncured beyond the applicable cure period, if any, the City will have the right to institute any other actions or proceedings that it deems desirable for effectuating the purposes of this Article, including but not limited to the right to complete construction of the Public Improvements and collect and retain the Service Payments, to pay the costs of construction of the Public Improvements, and to pay any costs and expenses related to exercising or enforcing its rights and remedies under this Agreement.

Any delay by the City in asserting its rights under this Agreement shall not operate as a waiver of those rights by the City or to deprive the City of or limit those rights in any way. It is

the intention of the parties that the City shall not be constrained, so as to avoid the risk of being deprived or limited in the exercise of the remedies provided in this Agreement because of concepts of waiver, laches, or otherwise. The City may exercise any remedy at a time when it may still hope to resolve the problems created by an Event of Default. No waiver in fact made by the City with respect to any specific default by the Developer or the Owner under this Agreement may be considered or treated as a waiver of the rights of the City with respect to any other defaults by the other party under this Agreement, or with respect to the particular default except to the extent specifically waived in writing.

Section 7.04 LIMITATION ON LIABILITY. NOTWITHSTANDING ANYTHING IN THIS AGREEMENT TO THE CONTRARY, UNDER NO CIRCUMSTANCES SHALL EITHER PARTY BE LIABLE FOR ANY DAMAGES FOR LOSS OF USE, INTERRUPTION OF BUSINESS, LOST PROFITS, REVENUE OR OPPORTUNITY, CLAIMS OF THIRD PARTIES, OR FOR ANY OTHER SPECIAL, EXEMPLARY, INCIDENTAL, INDIRECT, PUNITIVE, CONSEQUENTIAL OR OTHER DAMAGES OF ANY KIND OR NATURE; provided, however, that nothing contained in this paragraph shall limit Developer's liability for claims of third parties (whether for property damage or personal injury) arising out of the construction and installation of the Public Improvements.

Article VIII Force Majeure

Except as otherwise provided, neither the City nor the Developer will be considered in default of its obligations under this Agreement, if a delay in performance is due to a Force Majeure Event, to the extent such delay materially affects the performance of such party. As used in this Agreement "Force Majeure Event" means acts of God; acts of public enemies; orders or restraints of any kind of the government of the United States or of the State or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; strikes; labor disputes; insurrections, civil disturbances; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornadoes; storms; droughts; other weather conditions; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; and unavailability of labor or materials due to the occurrence of any of the foregoing events.

It is the intent of the parties that in the event of the occurrence of any Force Majeure Event, the time or times for performance shall be extended for the period of such Force Majeure Event. However, the parties seeking the benefit of the provisions of this Article VIII must within five days after the beginning of the Force Majeure Event, notify the other party in writing of the cause and, if possible at the time of notice, the expected duration of the delay caused by the Force Majeure Event.

Article IX Further Assurances; Full Disclosure; Good Faith and Fair Dealing

The City and the Developer agree to execute such other and further documents as may be necessary or required to consummate or more fully confirm the transactions contemplated by this Agreement. No representation or warranty of any party contained in this Agreement contains

any untrue statement of any material fact as of the time such representation or warranty is made and, to the knowledge of each party, no such representation or warranty omits or will omit to state a material fact necessary in order to make the representations and warranties contained herein or therein not misleading. From and after the date of this Agreement, the City and the Developer agree to cooperate with one another in good faith, and to deal fairly with one another, so as to effect the consummation of the transactions contemplated by this Agreement, and to resolve unforeseen conditions arising subsequent to the execution of this Agreement.

Article X

Developer acknowledges and agrees that the Public Improvements within the public right-of-way or where otherwise required by the City, may be acquired by the City through the dedication of the Public Improvements by the Developer to the City pursuant to Chapter 1228 of the City's Planning and Zoning Code, subject to the approval and acceptance of the City and the provision of title insurance provided by the Developer in accordance with Section 1228.07 of the City's Codified Ordinances. For the avoidance of doubt, the City shall have no obligation to reimburse the Developer for any Allowable Costs from Service Payments received by the City until such dedication has occurred.

After completion of construction of those Public Improvements which are dedicated to the City, the City shall have the right to make modifications, alterations, replacements or additions to such Public Improvements, at the City's sole cost and expense.

Section 10.02 Permanent Easement for Access to Public Improvements. Developer hereby acknowledges and grants to the City and its agents, a non-exclusive permanent easement upon, across, over, through and above, including light and air, over the Project Site, for access to, the use, and operation, of the Public Improvements within the public right-of-way, as well as those within Developer's privately-owned property, to be evidenced by a separate easement agreement or multiple agreements to be recorded in the records of the Cuyahoga County Fiscal Office, and which will further provide for repair and maintenance of those Public Improvements within Developer's privately-owned property exclusively by the Developer and at Developer's sole cost.

Developer Improvements

Camden Woods, LLC proposes to construct a new cluster subdivision on approximately 32 acres of property located on the southeast corner of Royalton Road and Prospect Road in the City of Strongsville, Ohio (the "Project Site"). The project will feature 82 cluster commercial homes for rent consisting of approximately 20, three-unit buildings, and 11, two-unit buildings and related site work ("Cluster Homes"). In addition, the project will include approximately 5,000 square feet of retail space, activating an underutilized corner and engaging with the City community.

All of the above referenced improvements will require extensive upgrades to the existing infrastructure on the Project Site, which are inadequate to service the project. Developer intends to construct new roadways, install new utility connections, storm water management systems, landscaping, and streetscape improvements.

Developer expects to start construction of the Cluster Homes in August 2023 and the anticipated duration of construction of the Cluster Homes is approximately fourteen months.

Attached is a site plan which depicts the proposed development upon completion.

4. POSSESSION

Tenant may enter into possession and occupancy of the Premises on the commencement date of the Term.

5. CONDITION OF PREMISES, REPAIRS, ALTERATIONS AND MAINTENANCE

5.1 Condition of Premises at Commencement of Term

Tenant has examined the Premises, knows their condition and accepts the Premises in their present condition. Tenant acknowledges that the City has made no representations to Tenant as to the condition of the Premises prior to or at the execution of this Agreement, and has promised no repairs or alterations thereto.

5.2 Repairs and Maintenance

(a) The City shall have sole responsibility, but within its sole discretion, to repair and maintain the Premises, including but not limited to lining and reasonable maintenance of the baseball game field, plus all driveways, sidewalks, parking areas or other paved areas servicing the Premises. City shall also, at its sole expense, keep all walks, driveways, sidewalks, parking areas or other paved areas servicing the Premises free of excessive snow, ice, water, rubbish and dirt and other natural or artificial accumulations.

(b) City shall perform such repairs and maintenance thereon as may be reasonably necessary within its sole discretion to maintain such areas in a clean, safe, serviceable and sound condition, and to comply with the laws, ordinances and regulations of all authorities which have jurisdiction over the Premises.

5.3 Condition of Premises at Termination of Agreement

Upon the expiration or other termination of this Agreement, Tenant shall remove its goods and effects and those of all persons claiming under it from the Premises, and shall deliver and yield the Premises to the City in as good repair and condition as the Premises were at the commencement of the term of this Agreement, reasonable wear and tear excepted.

6. UTILITIES

The City shall pay all charges for the use of sewers, water, light, fuel or other utilities relating to the Premises, if any, except that Tenant shall be responsible to pay for the illumination of any baseball field, as set forth in Section 3.1(d) of this Agreement.

7. INSURANCE AND INDEMNIFICATION

7.1 Public Liability Insurance

Tenant shall obtain, at its expense, effective as of the commencement of its right to occupy the Premises, and will maintain so long as Tenant continues to occupy or rent any part of the Premises, complete comprehensive, general liability insurance, under which the City will be named as an additional insured, the policy or policies to be in such form and issued by such company or companies as are satisfactory to the City, in the sum of One Million Dollars

(\$1,000,000.00) in the event of injury to one person or damage to property and Two Million Dollars (\$2,000,000.00) in the event of injuries to more than one person or damage to property arising out of each occurrence for which a claim for damages may result. Said policy or policies, or a copy or copies thereof, or a certificate or certificates thereof, will be deposited with the City together with evidence of payment of the premiums thereon, within thirty (30) days after their issuance.

7.2 Indemnification

Tenant will defend, indemnify, and hold harmless the City, its agents, employees and individual board and Council members from any and all claims, liabilities, demands, costs, expenses, damage or loss to persons (including loss of life) or property which may arise from the use of the Premises or from the conduct or management of or from anything done in or about the Premises by or on behalf of Tenant or any employee, agent, invitee, or licensee of Tenant, together with all costs, expenses and attorneys' fees incurred by the City in connection with any such claim, demand, or legal proceeding arising therefrom and brought against the City. The foregoing will also include, but not be limited to, any such damage or loss caused by Tenant itself or its officers, agents, representatives, guests or invitees.

8. USE

8.1 General

(a) Tenant's times and schedule of specific use shall be on a non-exclusive basis and specifically designated by the City through its Director of Recreation & Senior Services; provided, however, that scheduling of games shall be afforded to the Tenant in order to attempt to accommodate the Tenant's needs over any other potential users or occupiers. The foregoing is subject, however, to City Recreation Department programs which will always take precedence with regard to scheduling; and also to the fact that the City's Recreation Department reserves the right to alter, modify, supplement, amend and revise schedules, rules and regulations within its sole discretion.

(b) Tenant shall occupy and use the Premises for recreational purposes only and for no other purpose, and in a careful, safe and proper manner, and shall not commit or suffer any waste therein. Tenant shall not occupy or use the Premises for any unlawful purpose, in violation of any lawful covenant or condition of record restricting the use of the Premises, or in any way that would increase or cause foreseeable harm or injury to others. In its occupation and use of the Premises, Tenant shall comply with all laws, ordinances, rules, regulations, requirements and orders of all governmental authorities having jurisdiction over the Premises.

(c) If any such authority notifies the City of a violation of any such law, ordinance or regulations, the City shall notify Tenant thereof, and Tenant shall have ten (10) days following such notice to correct such violations. Failure by Tenant so to act within such ten (10) day period shall constitute a default for the purpose of this Agreement.

(d) All excise taxes, license fees and charges for permits which may arise from the use or operation of the Premises or the conduct of any business thereon shall be payable by Tenant, and Tenant shall save the City harmless from all liability therefor.

8.2 Alterations and Improvements

(a) Tenant shall not be permitted under any circumstances to make alterations or improvements to the Premises.

(b) The City may make such alterations and additions affecting the Premises as it might desire, provided that the same shall not materially impair Tenant's use of the Premises consistent with this Agreement.

9. DEFAULT

9.1 Events Constituting Default

For the purpose of this Agreement, "default" shall mean any of the following events: (a) abandonment of the Premises by Tenant, or (b) failure by Tenant to pay any installment of rent or other money or obligations within ten (10) days after the City shall have given Tenant written notice that such rent or other obligation is past due, or (c) failure by Tenant to perform or observe any other covenant or agreement under this Agreement, which failure shall continue uncured for a period of thirty (30) days after delivery to Tenant of written notice thereof, or (d) Tenant's permitting the Premises to be vacant or unoccupied for more than thirty (30) consecutive days.

9.2 Effect of Default

In the event of default, the City may at its option (a) terminate this Agreement, or, without terminating this Agreement, terminate Tenant's right to possession of the Premises under this Agreement, (b) re-enter the Premises with or without process of law, using such force as may be necessary and remove all persons and chattels therefrom and the City shall not be liable for damages or otherwise by reason of such re-entry, (c) cure any default relating to the condition of the Premises and obtain reimbursement of expenses therefor from Tenant, or (d) employ any other remedy provided by law. The foregoing remedies may be exercised individually or cumulatively at the option of the City, and the exercise of any one shall not be deemed a waiver of the City's right to exercise one or more additional remedies. Except as provided in this Agreement, Tenant waives the necessity of demand for rent and any other demand or notice that may now or thereafter be required by any statute, regulation or decision for the maintenance by City of any action in forcible entry and detainer. The commencement of such an action by the City shall for the purpose of this Agreement be equivalent to the City's exercise of its right to re-enter the Premises.

9.3 Waiver or Default

No waiver of any condition or covenant of this Agreement by the City or Tenant shall be construed as constituting a waiver of any subsequent breach of any such condition or covenant, or as justification or authorization for the breach or any other covenant or condition of this Agreement; nor shall the acceptance of rent by the City at a time when Tenant is in default under any covenant or condition of this Agreement be construed as a waiver of such default or any of the City's rights, including, but not limited to, the right to terminate this Agreement on account of such default or as an estoppel against the City, or be construed as an amendment to this Agreement or as a waiver by the City of any other right created herein or by law in favor of the City and against Tenant on account of such default.

10. MECHANICS' LIENS

The Tenant shall not permit any mechanics', laborers', materialmens' or other liens to stand against the Premises for any labor, machinery or materials furnished or claimed to have been furnished in connection with the work of any character performed or claimed to have been performed on, or pertaining to the Premises solely for Tenant or under Tenant's control, whether such work was performed or materials furnished prior to or subsequent to the commencement of the term of this Agreement. If any such lien shall be filed or shall attach, the Tenant shall promptly either pay the same or procure the discharge thereof by giving security or in such other manner as is required or permitted by law. If Tenant fails to do so within thirty (30) days after receiving written notice from the City, the City may procure the discharge of such lien, by payment or otherwise, and may recover all costs and expenses of so doing from Tenant. Moreover, Tenant shall defend, indemnify and hold harmless the City from and against all claims, demands and legal proceedings on account of such furnishing or claimed furnishing of labor, machinery, material and fuel, and shall directly pay or reimburse the City for all costs and

expenses thereof, including, but not limited to, attorneys' fees (to the extent permitted by law), bond premiums and court costs.

11. QUIET ENJOYMENT

Upon Tenant's paying the rent, and performing and observing the agreements and conditions on its part to be performed and observed, Tenant shall and may peaceably and quietly have, hold, and enjoy the Premises during the term of this Rental/Occupancy Agreement on a non-exclusive basis and subject to the City's scheduling of its use, but otherwise without interference by the City or anyone claiming by, through or under the City. However, the City shall not be liable for any damage or interference with use occasioned by or from (a) any gas, water or other pipes bursting or leaking, or (b) water, snow or ice on the Premises.

12. RIGHT OF ENTRY

The City, its agents and employees shall have the right, at all reasonable times during the term of this Rental/Occupancy, to enter the Premises to view and inspect the same and to perform any work therein which may be required or permitted of the City hereunder; provided, however, that the City, its agents and employees shall in exercising such right not unreasonably interfere with Tenant's use of the Premises. The City also shall have the right to use or arrange for use of the Premises by others when it is not in use by Tenant.

13. ASSIGNMENT, SUBLEASE AND CHANGE OF ORGANIZATION

13.1 Assignment and Sublease

Tenant shall not assign this Rental/Occupancy or any of its benefits or burdens under this Agreement, or sublet all or any part of the Premises, or permit all or any part of the Premises to be used or occupied by others unless Tenant first obtains the City's prior written consent, which the City may, in its discretion, withhold for any reason or none at all.

13.2 Change of Organization of Tenant

Tenant shall not terminate its existence, change its form of organization or permit the change of identity of its principal officers or the transfer of all, or substantially all of its assets without first having obtained the City's written consent. The City shall not unreasonably withhold such consent, and shall be deemed to consent to any change in officer status or otherwise resulting from the death or long-term disability of any officer or trustee of Tenant.

INFORMATION FOR PLACEMENT OF FARMLAND IN AN AGRICULTURAL DISTRICT

A. WHO MAY FILE?

Any owner of land used for agricultural production may file an application to have the land placed in an agricultural district.

B. WHERE TO FILE

The completed application must be filed with the auditor of the county where the land is located. The applicant will be notified of action taken by the county auditor within 30 days of the filing of the application if the land is not within a municipal corporation or an annexation petition has not been filed. If the land for which an application has been made lies within a municipal corporation limit or if an annexation petition that includes the land has been filed with the Board of County Commissioners under Section 709.02 of the Ohio Revised Code, a copy of the application must also be filed with the Clerk of the legislative body of the municipal corporation. The legislative body is required to conduct a public hearing on the application within 30 days after the application has been filed with the Clerk. Within 30 days of the hearing, the legislative body may approve the application, modify and approve the application as modified, or reject the application.

C. WHEN TO FILE AND RENEWAL

The original application may be filed at any time for placement of land in an agricultural district for a five-year period. If at the end of five years, the owner decides to keep some or all of his or her land in a district, he or she shall submit a renewal application and must meet the same land requirements and use the same application process as the original application. The renewal application may be filed at any time after the first Monday in January and prior to the first Monday in March of the year during which an agricultural district terminates, for a period of time ending on the first Monday in April of the fifth year following the renewal application.

D. WHAT IS "LAND USED FOR AGRICULTURAL PRODUCTION?"

In accordance with Section 929.01(A) of the Revised Code, land is devoted to "agricultural production" when it is used for commercial aquaculture, apiculture, animal husbandry, poultry husbandry; the production for a commercial purpose of field crops, tobacco, fruits, vegetables, timber, nursery stock, ornamental shrubs, ornamental trees; flowers or sod; the growth of timber for a noncommercial purpose if the land on which the timber is grown is contiguous to or part of a parcel of land under common ownership that is otherwise devoted exclusively to agricultural use; or any combination of such husbandry, production, or growth; and includes the processing, drying, storage and marketing of agricultural products when those activities are conducted in conjunction with such husbandry, production, or growth.

"Agricultural production" includes conservation practices provided that the tracts, lots, or parcels of the land or portions thereof that are used for conservation practices comprise not more than twenty-five percent of tracts, lots, or parcels of land that are otherwise devoted exclusively to agricultural use and for which an application is filed.

"Conservation practices" are practices used to abate soil erosion as required in the management of the farming operation, and include, but are not limited to, the installation, construction, development, planting, or use of grass waterways, terraces, diversions, filter strips, field borders, windbreaks, riparian buffers, wetlands, ponds, and cover crops for that purpose.

E. WHAT DOES "TRACTS, LOTS, OR PARCELS OF LAND" MEAN?

Tracts, lots, or parcels mean distinct portions of pieces of land (not necessarily contiguous) where the title is held by one owner, as listed on the tax list and duplicate of the county, is in agricultural production and conforms with the requirements of either D1, D2, or D3 below.

F. ARE THERE ANY OTHER REQUIREMENTS?

1. The land for which the application is made must have been used exclusively for agricultural production or devoted to and qualified for payments or other compensation under a land retirement or conservation program under an agreement with a federal agency for the three consecutive calendar years prior to the year in which application is made. Evidence must be shown on the application. If the land contains timber which is not being grown for commercial purposes the land on which the timber is growing must be contiguous to or part of a parcel under common ownership that is otherwise devoted exclusively to agricultural use.
2. If the total amount of land for which application is made is less than 10 acres, there is an additional requirement that the applicant submit evidence with his application that the activities conducted on the land have produced an average yearly gross income of at least twenty-five hundred dollars over the three years immediately preceding the year in which application is made or that the land will produce an anticipated annual gross income of that amount.
3. Evidence of annual gross income may be satisfied by attaching to the application form a short statement stating the number of animals by species and anticipated market value, number of acres of crops to be grown, their expected yield and price per bushel or similar specific information.

G. IS THERE A PENALTY FOR EARLY WITHDRAWAL?

Land removed from this program before the 5-year enrollment period is subject to penalty, per Section 929.02(D) of the Ohio Revised Code. See County Auditor's Office for details on how the amount of the withdrawal penalty is determined.

H. APPEAL OF APPLICATION

The applicant may appeal the denial of the application to the court of common pleas of the county in which the application was filed within thirty days of the receipt of the notice denying the application. When the land lies within a municipality the applicant may also appeal a decision to modify or reject an application to the court of common pleas of the county in which the application was filed within thirty days of the receipt of the notice of modification or rejection. In addition, the applicant may withdraw an application modified by a legislative body if he or she disapproves of the modifications.
