If the sign proposal is approved by the Board, the Building Department will notify you when the actual sign permit can be picked up. **A Building Permit fee will be charged to you at that time. You may not install the sign(s) until you have the permit in hand.**

The contractor installing the sign must be registered with the City of Strongsville. Contact the Building Dept. for direction in getting registered. Also, a disconnect is required on electrical signs. You must call 24 hours in advance for an electrical inspection.

Should you require additional information or have questions, please feel free to contact Carol Oprea at 440/580-3165.
