ARTICLE 3 Development and Maintenance of Position Plan

Article No.	Title
3-001	Objectives.
3-003	Composition of the Position Plan.
3-005	Position Specifications.
3-007	Use of the Plan.
3-009	Maintenance of the Plan.
3-011	Amendments to Position Plan.

3-001 OBJECTIVES.

The development of the employee position plan is for the purposes of establishing descriptive guides for positions in the City service; and, except where otherwise provided by a duly authorized collective bargaining agreement in full force and effect, to allocate positions to ranges of pay which are equitable in relation to all positions under the plan, and to otherwise allow for and promote an orderly and efficient administration of the personnel matters of the City.

It is not the purpose of this Ordinance or the establishment of the positions therein to determine the practicability of appointment or promotion to a position through competitive examination, or to otherwise regulate matters within the jurisdiction of the Civil Service Commission. The employee position plan shall include (a) the position schedule set forth in Article 5 of this Ordinance and (b) a complete inventory of all positions in the City service and accurate descriptions and specifications for each. In the plan, position titles shall be standardized and each of them shall be indicative of a definite range of duties and responsibilities and shall have the same meanings throughout the City service. Positions in the City service shall be reviewed to determine those which are approximately equal in difficulty and

responsibility, which call for the same general qualifications, and which can be compensated equitably within the same range of pay under similar working conditions.

3-003 COMPOSITION OF THE POSITION PLAN.

The position plan shall consist of:

- (a) Position titles, descriptive of the work of the position, which will identify each position, and which may be designated by a numerical code.
- (b) Written specifications for each position containing a description of the nature of work and relative responsibility; illustrative examples of work performed in the position; requirements in terms of knowledge, abilities, the type of experience and training generally providing these knowledge, abilities, and skills.
- (c) A list showing the pay range to which each position in the City service is allocated, set forth in Article 5, except where otherwise provided by collective bargaining agreement.

3-005 POSITION SPECIFICATIONS.

The specifications of the positions in the employee position plan and their various parts shall be used as a guide and have the following force and effect:

- (a) The specifications are descriptive and not restrictive. They shall not be construed as declaring to any extent, or in any way, what the minimum or maximum duties or responsibilities of any position shall be, or as limiting or in any way modifying the power of any appointing authority or administrative officer to assign, direct and control the work of employees under his supervision. The use of a particular expression or illustration shall not be held to exclude others not mentioned that are of similar kind or quality.
- (b) The written position specifications shall be on file with the Human Resources Director to serve as a manual of position specifications for convenience in administering the compensation plan and other personnel matters in the City.

3-007 USE OF THE PLAN.

The employee position plan may be used:

- (a) In preparing public announcements of examinations or vacancies;
- (b) As a guide in preparing examinations which may be used to appraise the qualifications of applicants for work in specific positions.
- (c) In determining promotional sequence and developing employee training programs.
- (d) In determining compensation to be paid for various types of work and establishing and maintaining an equitable compensation plan.
- (e) In determining personal service items in the budgets for the various organizational units of the City government.
- (f) In providing uniform job terminology.
- (g) In establishing appropriate employment lists from which personnel may be certified to fill vacancies.

3-009 MAINTENANCE OF THE PLAN.

The directors of the various departments, together with the Mayor, shall be responsible for the proper maintenance of the employee position plan so that it will reflect continuously the duties currently being performed by each employee in the City and the pay range to which the position is allocated. Each director shall propose to the Mayor necessary amendments to the employee position plan, including additions, revisions, deletions, and changes in position specifications, as follows:

(a) *Allocation of new positions.* The director of a department shall, within sixty days of the creation of a new position in his department, complete or approve a written position description covering the duties and responsibilities of such position, to be forwarded to the office of the Mayor. The Mayor, subject to the approval of Council, shall allocate the position to one of the pay ranges in the compensation plan. If a pay range does not exist, he shall recommend the establishment of a new one and after the adoption of the new position pay range by Council, he shall allocate the position to it.

(b) Changes in the duties and responsibilities of a position involving either the addition, reduction or modification of assignments shall be reported to the Mayor by the director of the department concerned if the changes are determined to be permanent and are sufficiently significant to justify reallocation to a different pay range, the Mayor, with the approval of Council, shall assign the position to the pay range which is appropriate under the modified circumstances.

(c) The director of each department shall periodically review, or cause to be reviewed, the positions and shall audit duties and responsibilities for each change in the position specifications as required and shall recommend to the Mayor such changes as are necessary to keep the employee position plan up to date.

(d) The Mayor may require departments or employees to submit position descriptions on a periodic basis, or any time he has reason to believe there has been a change in the duties and responsibilities of any position. The Mayor may direct the review of all positions in the City service at least once every five years on a cyclical basis.

(e) The assignment of duties to a position, whether the duties are temporary or permanent, incidental or essential, the location of work, the type of equipment and tools to be used, and the scheduling of shift assignments, shall be wholly the responsibility of the director and the Police or Fire Chief in the case of those divisions. The position plan shall in no way operate or be construed to operate to limit or interfere with his or her responsibility for the assignment of duties.

3-011 AMENDMENTS TO POSITION PLAN.

The establishment of a new position or the abolishment of a current position shall be made by amendment to Article 5. When a filled position is reallocated, the action shall be administered as though the original position was abolished and a new position with a different pay range allocation established.

The Compensation Plan shall consist of and include this Article 4, the pay range allocations of Article 5 and the basic compensation schedules set forth in Articles 6 and 9.

4-003 DEVELOPMENT AND MAINTENANCE OF COMPENSATION RANGES.

The compensation range or rate for each position shall be determined by Council with due regard for ranges and rates of pay of other positions, relative difficulty and responsibility of position in each range or rate of pay, availability of employees in particular occupational categories, prevailing rates of compensation for similar employment in private establishments in the Strongsville area and the municipal service of other public jurisdictions in the general area, cost-of-living factors, the financial policies and the financial position of the City, and other economic considerations.

The Mayor may make comparative studies of factors affecting the level of ranges and rates of compensation as often as necessary, and shall submit his recommendations to the City Council for its action.

4-005 APPOINTMENT RATE.

Where a pay range is established for a position, the minimum rate established for that position shall be paid upon appointment, except that appointment rates above or below the minimum rate may be authorized by the Mayor upon the request of the director of a department.

(a) *Appointments Above the Minimum Rate.* Appointments above the minimum rate may be authorized based upon exceptional qualifications and experience of the appointee or inability to employ eligible candidates at the minimum rate.

(b) *Appointments Below the Minimum Rate.* Appointments below the minimum rate may be authorized where the candidate possesses less than the minimum acceptable qualifications for a position. Such an appointment shall be made on a trainee basis.

4-007 WITHIN-RANGE PAY ADJUSTMENTS.

Pay adjustments within an established range or rate of pay shall be administered in accordance with the subsequent Articles of this Ordinance applicable to the particular position.

4-009 PAY RATES IN TRANSFER, PROMOTION, OR DEMOTION.

If an employee is transferred, promoted, or demoted, upon the recommendation of the director and approval of the Mayor, the employee's pay for the new position shall be determined as follows:

(a) If the employee's rate of pay in the former position is less than the minimum rate established for the new position, such employee's rate of pay shall be advanced to at least the minimum for the new position.

(b) If the employee's rate of pay in the former position is more than the maximum rate established for the new position, such employee's rate of pay shall be reduced to the maximum rate or an intermediate step of the new pay range.

(c) If the employee's rate of pay in the former position falls within the range of pay of the new position, such employee's rate of pay shall remain the same or be increased in the case of transfer; and shall be increased at least 5 per cent (5%) in the case of a promotion; and shall remain the same or lowered in case of demotion.

4-011 REINSTATED EMPLOYEES.

(a) A person seeking employment with the City who was previously employed by the City in any capacity during the immediately preceding twelve-month period shall, if rehired, be considered a reinstated employee for the purposes of this Article, upon such re-employment.

(b) Reinstated employees whose previous employment with the City was terminated may be reinstated at a compensation rate within the pay range for the position to which the employee is reinstated as determined by the director of the department in which such employee is reinstated, subject to the approval of the Mayor, without regard to the compensation rate previously received.

(c) This Article does not apply to employees absent from their positions on authorized leaves of absence.

4-013 PERMITTING OVERRUN OR UNDERRUN ON SALARIES AS REQUIRED FOR COMPUTER PAYROLL METHODS.

In order to facilitate the handling of entries for computer payroll methods and to eliminate the necessity for adjustments of overruns or underruns which may occur through this method; and to take care of overruns or underruns resulting from bi-weekly pay periods, the Director of Finance is authorized to adjust and pay overruns and underruns not to exceed \$20.00 per salaried employee per year.
