Why Do Recycling Rules Change?

Recycling is an industry fueled by environmental responsibility but driven by economics. Recycling rules change over time because recyclables are commodities that are sold and traded throughout the world and subject to market fluctuations.

Strongsville Curbside Recycling: The Need-to-Know

You can include *aluminum cups, cans, cartons, clear plastic clam shells, glass bottles and jars, paper* and *boxes* along with *plastic bottles, jugs and tubs* in your curbside recycling. Reduce your waste when you combine *only these items* in your recycling. Recycle better, recycle right.

Brush & Branch Disposal

There Are 2 Ways for Residents to Dispose of Brush:

1. Take brush to the TRANSFER STATION (no charge). Proof of Residency Required.
2. Bundle branches in 4-foot lengths and leave out on your regular trash day. Bundles shall weigh no more than 50 pounds each.

The Strongsville Transfer Station is located behind 16099 Foltz Parkway (driveway along the railroad tracks). Hours: Monday-Friday 7am - 4:30pm, Saturday & Sunday 8am - 2pm; 440-572-7590.

WHAT TO **INCLUDE** CURBSIDE: List Of Recyclable Items As Of March 2026

Be sure to empty and rinse cans and bottles, replacing cap when necessary and flatten cardboard.

All of these can be placed in a marked container or blue bag. Set out RECYCLING on the opposite side of the driveway from the trash.
