REGISTRATION INFORMATION

Individuals may enroll in any open class listed in the bulletin. If your child has any special needs, it would be helpful if you would inform the instructor/Aquatic Supervisors, on the first day of class, so they can better work with your child.

AQUATIC WAIT LIST

If the class is full, you may ask the front desk staff to add your name to the waiting list. The main purpose of the wait list book is to determine if there is a need to add additional classes. On occasion if there are openings in classes, or if we have the ability to add additional instructors, we will call those who have their name in the wait list book.

- Having a name on the wait list does not guarantee that you will receive a phone call or a spot in a class.
- It is your responsibility to call the front desk at the end of a session to see if any spots have opened up. Many times children are transferred to other classes or decide not to take a class which results in spots becoming available. The aquatic supervisors will not check the wait list book until a few days before the start of a new session with the intent of trying to fill spots that are still open.
- Please be aware that when phone calls are made to those on the wait list, registration is on a first come basis no matter what number you are on the wait list. This is only a courtesy call letting you know that at that particular time, there are openings in the class if you still wish to sign up. It does not mean that a spot is being held for you and the spot(s) may be filled by the time you call back.

Strongsville Yoga School
200 hour Yoga Teacher Training Program.
Registered through Yoga Alliance.

For more information contact Denise Lengal at denise.lengal@strongsville.org.
We’re so fortunate to have a facility of this caliber in our city. Our members certainly enjoy this place! If you’re a fitness fanatic you will find everything you need under one roof at The Strongsville Recreation Center. We have a vast array of cardio equipment, a well-appointed weight room, and every type of group exercise class you could think of! But, what if traditional fitness formats are not your thing?

Have you visited our Aquatic Center? Swimming is one of the best total body activities you can do! It’s a great way to get fit without impact on your joints. The benefits of swimming are many! You’ll see improvements in your cardiovascular endurance, muscle strength, and flexibility. Swimming is great for beginners too. You may not be able to swim for long durations immediately. But, it’s ok to start out with five or ten minute sessions and build up your time gradually.

Have you been in the gymnasium? It’s gorgeous! Every gym rat will appreciate the size of the space and the beautifully cared for surface of the court. Shooting hoops is a great way to have some fun. While you may not be ready for the NBA, the benefits of basketball are numerous. Basketball will increase your heart rate and your rate of respiration, both of which will train your cardiovascular system to be stronger, healthier, and more efficient. Having a healthy heart means lower blood pressure and a lower resting heart rate, among other things. All of which contribute to a long and healthy life.

Come see what the Rec has to offer you!
Many parents ask to observe classes. We find it is generally distracting for the children when there are observers in the class. Most of our programs have built in an opportunity for you to see the results of your children’s efforts or the progress they are making. We ask you to abide by the wishes of your child’s instructor in this matter. Thank you.

Although last minute enrollments are accepted, there is a point when a program must be cancelled or modified if there is insufficient registration. All programs require a high level of coordination often including facility scheduling, staffing and preparation and purchasing of supplies. PLEASE REGISTER EARLY.

**My Fair Lady- at Playhouse Square**

The Lincoln Center Theater production of Lerner & Loewe’s MY FAIR LADY has been hailed by The New York Times as “thrilling, glorious and better than it ever was.” It won the Drama Desk, Outer Critics Circle and Drama League Awards for Best Musical Revival. NY1 raves, “Every so often a revival comes along that reminds you how indispensable great theater can be.” Entertainment Weekly cheers, “this MY FAIR LADY is a thing of beauty, a sumptuous new production of the most perfect musical of all time.”

Boasting such classic songs as “I Could Have Danced All Night,” “The Rain in Spain,” “Wouldn’t It Be Loverly” and “On the Street Where You Live,” MY FAIR LADY tells the story of Eliza Doolittle, a young Cockney flower seller, and Henry Higgins, a linguistics professor who is determined to transform her into his idea of a “proper lady.” But who is really being transformed? In this “jubilant revival, the beloved musical comes alive in all its glory” (Variety).
