AQUATIC CENTER REGULATION/RULES

ALTERNATIVE SWIM WEAR

For the safety, health and welfare of all members and patrons, proper swim attire is required. Proper swim attire is required when using all of the pools, steam room, sauna and spa in the Aquatic Center, including participation in Learn-to-Swim classes. The following are prohibited:

1. Clothing that could contribute to entrapment and inhibit life saving measures: loose fitting clothing; heavy garments; cut-offs; and jean shorts.
2. Clothing worn for workout or other purposes prior to using the Aquatic Center.

Questions concerning proper swimwear should be addressed with the Aquatic Center personnel.

REGISTRATION AND POLICIES

- **Registration for January Learn to Swim and Aquatic programs starts 12/19/2020. Class spots will open up after current classes end. The February/March Learn to Swim class registration will take place at the end of the January class session. Water Exercise registration opens 2 weeks prior to the upcoming month.**
- Refunds/credits will not be granted without medical documentation. Changes in personal schedules will not constitute a refund/credit.
- If the class is full, you may ask the front desk staff to add your name to the waiting list.
- If your child has any special needs, it would be helpful if you would inform the instructor/Aquatic Supervisors, before the first day of class, so they can better work with your child.

AQUATIC WAIT LIST

The main purpose of the wait list book is to determine if there is a need to add additional classes. On occasion if there are openings in classes, or if we have the ability to add additional instructors, we will call those who have their name in the wait list book.

- Having a name on the wait list does not guarantee that you will receive a phone call or a spot in a class.
- It is your responsibility to call the front desk at the end of a session to see if any spots have opened up. Many times children are transferred to other classes or decide not to take a class which results in spots becoming available. The aquatic supervisors will not check the wait list book until a few days before the start of a new session with the intent of trying to fill spots that are still open.

- Please be aware that when phone calls are made to those on the wait list, registration is on a first come basis no matter what number you are on the wait list. This is only a courtesy call letting you know that at that particular time, there are openings in the class if you still wish to sign up. It does not mean that a spot is being held for you and the spot(s) may be filled by the time you call back.
