### REGISTRATION AND POLICIES

- For all sessions of a brochure (Winter, Summer, Fall) **the first session** of the lessons will open to members then resident/non-members and finally non-resident/non-members per the dates set in the brochure. Subsequent sessions of that brochure season open on the **last day of current session for those with report cards** (Changing of times or dates will not be honored until after those with report cards for the current class have had a chance to register. Exceptions may be for leveling up from level 3 or parent/youth. The times may not match for next level); **for those without report cards, online registration begins at 9:30pm the last day of class and in-person/phone registration begins the following day.**
- Refunds can be requested up to 7 days prior to the start of class without question. After that no refunds will be given. Participants take the risk of schedule changes or changes in health.
- If the class is full, you may ask the front desk staff to add your name to the CURRENT waiting list.
- If your child has any special needs, it would be helpful if you would inform the instructor/Aquatic Supervisors, before the first day of class, so they can better work with your child.

### AQUATIC WAIT LIST

The main purpose of the wait list book is to determine if there is a need to add additional classes. On occasion if there are openings in classes, or if we have the ability to add additional instructors, we will call those who have their name in the wait list book.

- Having a name on the wait list does not guarantee that you will receive a phone call or a spot in a class.
- It is your responsibility to call the front desk at the end of a session to see if any spots have opened up. Many times children are transferred to other classes or decide not to take a class which results in spots becoming available. The aquatic supervisors will not check the wait list until a few days before the start of a new session with the intent of trying to fill spots that are still open.
- Please be aware that when phone calls are made to those on the wait list, registration is on a first come basis no matter what number you are on the wait list. This is only a courtesy call letting you know that at that particular time, there are openings in the class if you still wish to sign up. It does not mean that a spot is being held for you and the spot(s) may be filled by the time you call back.
- It does not mean that a spot is being held for you and the spot(s) may be filled by the time you call back.

"THE CENTER OF LIFE"

**FITNESS, FUN FRIENDSHIP cont.****ASIAN EXERCISE – Including Tai Chi**

These gentle movements can improve balance, naturally boost one's energy, mental focus, and flexibility. There is individualized instruction within the group setting; you progress at your pace and ability. The movements can be tailored to your body type and condition. Good health comes from good circulation. By gently working the range of motion of the joints, the flexibility of the ligaments and surrounding tissues, the body is able to get circulation everywhere it needs to go. Millions of practitioners have balanced chronic conditions such as asthma, arthritis, diabetes and fibro-myalgia through practice.

Of all his accomplishments, Thomas Jefferson was most proud of Self-governance, Freedom of religion, and Education. ### A DAY IN HAMTRAMCK

Spend a day in Hamtramck, known as "Michigan's Little Poland". Hamtramck was initially home to many Germans until the early 1900s when Polish immigrants arrived, bringing with them their heritage for most of the 20th century. To this day, Hamtramck remains synonymous with Polish culture. During our visit we will be enjoying a diverse area that still boasts delicious dishes offered at the Polish restaurant where we will be dining. This is a Great Day tour.

### "THE MUSIC MAN" at RABBIT RUN THEATER

By turns wicked, funny, warm, romantic and touching, The Music Man is family entertainment at its best. Meredith Willson's six-time, Tony Award-winning musical comedy has been entertaining audiences since 1957 and is a family-friendly story to be shared with every generation. The Music Man follows fast-talking traveling salesman, Harold Hill, as he cons the people of River City, Iowa, into buying instruments and uniforms for a boys' band that he vows to organize – this, despite the fact that he doesn't know a trombone from a treble clef. His plans to skip town with the cash are foiled when he falls for Marian, the librarian, who transforms him into a respectable citizen by curtain's fall. Before the show we will enjoy dinner at Grand River Cellars and self-guided tour of the winery. Join us for this Great Day Tour trip.
