2022

### MEN'S 5-on-5 BASKETBALL SUPPLEMENTAL RULES

#### PLAYER ELIGIBILITY

1. Each player must turn 18 years of age at any time during the season in order to play in the 18 & Over League.
2. Each player must complete his current information on the indoor sports roster prior to playing in a game. Any player that has falsely filled out his information will be considered in-eligible. Any games that player has played in will be considered a forfeit. This rule will be in effect for all regular season and tournament games.
3. Once a player signs an indoor sports roster, he is in-eligible from joining another team for the remainder of that season. Players may not switch teams in the same league. Violation of this rule will result in forfeitures for all of the teams involved.

#### TEAM ROSTERS/FORFEIT FEES

1. There is no limit on the number of players a team may carry. Players may be added until **July 16, 2021**. After **then**, only by permission from the league director due to unforeseen circumstances will a team be permitted to add a player(s) to their roster.
2. **Players must participate in at least 2 games to be eligible for the playoffs.**
3. If a team captain surrenders his role as team captain at any point during the season, it is the responsibility of the old and/or new team captain to inform the league commissioner of the change.
4. Line-ups must be handed to the scorer at least ten (10) minutes before the start of the game. Players cannot arrive more than twenty (20) minutes prior to the first scheduled game time unless they are current members of the Recreation Complex.
5. If a team forfeits their game, they must pay their referee fees and their opponent's fees for the game that was forfeited. This must be paid before they can play their next scheduled game. If a game is forfeited after the game starts the forfeiting team does not have to pay both referee fees.
6. If the team chooses to use the \$80 fee, it would still need to be replenished before their next scheduled game. If it is not the team can not play.
7. If only one referee is present for the game, that person will get time and a half. Their regular fee is \$29 per game, so that means that person would receive \$44 for the game. That fee would be split between the two teams that are playing.

#### THE GAME

1. Teams must have at least 4 eligible players to begin a game. A team may finish a game with 4 eligible players. Any less than 4 players will result in a forfeit and the team responsible for the forfeit will pay the game fees for both teams before they play their next game.
2. A five-minute warm-up period will be permitted before games **when time allows**.
3. The game will consist of two (2), twenty(20) minute halves. Overtime periods will be three (3) minutes long. If the score remains tied after two overtime periods have been played, the game will be

decided by sudden death where the first team to score will be declared the winner. Playoff games will not go to sudden death. All overtimes will be 3 minutes until there is a winner.

4. Teams will be allowed three (3) time-outs per game. One time-out will be permitted during each overtime period. Time-outs **do not carry over** from regulation to overtime.
5. The clock will run continuously during the first half with no stopping. The clock will stop during the last two minutes of the second half only. The clock will not stop during the last two minutes of the game if there is a 20 point or more score differential. The referee(s) may stop the clock at any time to insure smooth administration of the game.
6. The bonus situation (one and one free throws) will occur on the 7<sup>th</sup> team foul of each half. After a team has committed 10 team fouls in either half, their opponent will shoot 2 free throws on all fouls.
7. Players will foul out after 6 personal fouls.
8. The 3 point shot rule will be in effect.
9. National Federation High School Rules will govern games unless noted in the Strongsville Men's Supplemental Basketball Rules.
10. A jump ball will only be used to start a game and alternating possession will be in effect for the remainder of the game.
11. On free throws players may enter the lane when the ball has been released by the shooter. The first player in the line up must position himself to his right of the block.

### **PROTEST POLICY**

1. A team in regard to a misinterpretation of the National Federation High School or leagues rules can only file protest. Judgement calls cannot be protested! Protests must be filed at the moment of the rule infraction and the entire situation should be noted by the scorer on the back of the score sheet. A \$40.00 forfeit fee must be brought to the front of the Rec. Complex within 24 hours of the infraction before a ruling will be made.
2. In the event that the protest is upheld, the game will be replayed from the point of the protest and the forfeit fee refunded. Game fees will be the responsibility of the teams involved. In the event that the protest is denied, the forfeit fee will be deposited in the Special Rec. Fund and the game will stand.
3. Protests to challenge a player's eligibility can be filed at any time during the season. The Rec. Dept. reserves the right to challenge the eligibility of any player at any time.

A technical foul will then be given to the next person on that team that swears. If it happens again the player will be ejected from the game. This will constitute a second technical foul and an automatic suspension for the next game.
