Director of Parks, Recreation and
Senior Services

Dear Bryan:

On behalf of the Trustees of the Strongsville Rotary Foundation, we are pleased to donate sixty (60) student chairs for the use of the Strongsville Safety Town. The value of the chairs is \$2,130 and is documented with a copy of the attached invoice from the supplier of the chairs, Today's Business Products, which has been discounted significantly by its owner, Richard Voigt.

Almost ten years ago, our Foundation together with members of the Rotary Club of Strongsville were instrumental in raising over \$110,000 of cash donations from businesses and individuals in our community to build the Safety Town as it exists today. In addition to the cash donations that were raised, members of our Club provided hands-on labor and materials to supplement countless in-kind donations of materials and services by several local businesses and volunteers. Mr. Voigt provided leadership to and supervision of the construction activities during the project. The City of Strongsville donated the use of the land to accommodate this worthwhile project.

We are pleased to see that the young children of our community will be able to enjoy the comfort of the new chairs for their education and training provided by the Strongsville Police Department, under the direction of Officer Don Poney.

Yours very truly,

Richard B. Kiplinger,
Assistant Treasurer
