

CITY OF STRONGSVILLE
PLANNING COMMISSION
APPLICATION

PARCEL SPLIT and/or ADJOINMENTS

Requires a Planning Commission application.

After meeting with City Planner, George Smerigan (if necessary) regarding zoning requirements, submit the following:

Pursuant to new Codified Ordinance Section 1226.07 for all subdivisions involving six (6) or more sublots, you will be required to submit along with your proposed subdivision plan, a certified list of all property owners of record and their mailing addresses printed on pre-pasted labels certified by a Title Company, with the list dated no more than fifteen (15) days prior to the filing of the application to the Planning Commission. This new Law is effective for all applicable subdivisions submitted after October 15, 2002.

Sixteen (16) copies of the Split and/or Adjoinment Plat (18" x 24" minimum size mylar and folded, must be submitted 2 weeks prior to a meeting. After approval and getting all the necessary notarized signatures on the plat, you must bring the plat and new deeds (when applicable) to the Engineering Department for recording with the County. You are responsible for all recording fees and will be required to pay those fees prior to filing.

If there are no improvements, the split would be considered a "Subdivision" and this should be reflected in the title of the plat. All "Subdivisions" must be confirmed by City Council.

Applications fees will be determined at the time of application.

Should a septic system be needed, a "Feasibility Letter" will be required from the Cuyahoga County Board of Health.

Before any **final approval** the applicant must meet the City Engineer's requirements (see attached checklist).
